INTERPINES

¶ A history of TWENTY-SEVEN YEARS of successful work has amply demonstrated the reliable and ethical character of "Interpines." Spacious grounds, stately buildings, replete with every modern appliance; situated in the heart of a beautiful village. A successful blending of the HOME, HOSPITAL AND HOTEL.

¶ Diseases of the Nervous System a specialty.

POLK'S

DENTAL REGISTER

and DIRECTORY

IT IS A FACT that the leading and progressive men in the dental profession regard the **REGISTER** as a standard book of reference which ought to be in every dentist's library.

The Register is designed to so completely cover the dental directory field that further investment in that line will be unnecessary.

If you want to know the **COLLEGE STANDING** of the dentists you come in contact with, you will find it in the Register.

The **INDEX TO DENTISTS** in the Register will enable you to locate a **LOST FRIEND** if he is practicing anywhere in the United States.

Lists of Dentists arranged by States, giving Postoffice Address, with Population and Location of each place.

College and Class of Graduation.

All the Existing and Extinct Dental Colleges in the United States and Canada, with Location, Faculty, etc., arranged by States and Provinces.

Auxiliary and Post Graduate Institutions and Courses.

Dental Colleges in the United States and Canada arranged Alphabetically by Name.

Classified Directory of Business Pertaining to the Dental Profession.

The various National, Interstate, State and Local Dental Societies, Dental Journals, Boards of Dental Examiners, and other Dental Institutions.

The full text of the Laws for regulating the Practice of Dentistry in each State and Province.

Dental Department of the U. S. Army.

A Descriptive Sketch of each State and Territory and Province.

General Alphabetical list of Dentists, and reference to dental standing.

LAKE D & C LINES

For Business and Pleasure Trips Use D & C Line Steamers

The Delights of a Lake Trip

REST after work is necessary to human endurance, and holidays are a wise economy. The Great Lakes of America offer more vacation opportunities than any other source in the country. The steamers of the Detroit and Cleveland Navigation Company operating to all important ports are unrivalled in point of elegance, comfort and quality of service—the perfect freedom offered by the saloon and promenade decks, the commodious state rooms, luxurious furnishings and excellence of cuisine make life aboard these floating palaces, a solace to the weary mind and body.

WHERE YOU CAN GO

Daily service is operated between Buffalo and Detroit, Detroit and Cleveland, four trips weekly between Toledo, Detroit and Mackinac Island, the historic summer resort of the North Country, and from June 25 to Sept. 10 a special steamer will be in commission between Cleveland and Mackinac Island, stopping at Detroit enroute every trip. During July and August special daylight trips between Detroit and Cleveland.

RAILROAD TICKETS AVAILABLE

Tickets reading via any rail line between Buffalo and Detroit, Detroit and Cleveland will be honored for transportation on D. & C. Line Steamers in either direction. Send 2 cent stamp for illustrated pamphlet and Great Lakes Map. Address L. G. LEWIS, G. P. A. Detroit, Mich.

The GLEN SPRINGS
WATKINS, N. Y.
on Seneca Lake
Open all the Year
Wm. E. Leffingwell, Pres.

A Mineral Springs HEALTH RESORT and HOTEL, known as
THE AMERICAN NAUHEIM

In Private Park with miles of accurately graded walks for Oertel hill climbing exercises ranging in altitude from 750 to 1100 ft. Five minutes' walk from Watkins Glen. Midway between the Great Lakes and the Hudson, on the Southern Tier Highway, all macadam. Attractive and well-kept Golf Course, Miniature Golf, Clock Golf, Tennis, Motoring.

THE ONLY PLACE IN AMERICA WHERE THE NAUHEIM BATHS ARE GIVEN WITH A NATURAL BRINE

THE BATHS Are *directly connected with the Hotel.* The Bathing Springs are similar to the waters of Bad Nauheim, in the proportion of Calcium Chloride and Sodium Chloride, but are about five times as strong. THE RADIUM EMANATION FROM BRINE SPRING NO. 1 AVERAGES 68 MACHE UNITS PER LITER OF WATER AND IS DUE TO RADIUM SALTS in SOLUTION.

The diagnostic and treatment methods, and the equipment are the best that advanced medical science has approved. The treatments are given under the direction of physicians and are especially adapted to CARDIAC, CIRCULATORY, METABOLIC and RENAL DISORDERS; RHEUMATISM, GOUT, OBESITY, CONDITIONS REQUIRING ELIMINATION and DISORDERS OF THE NERVOUS SYSTEM.

No contagious or infectious diseases, insanity or epilepsy received.

Our Illustrated Booklets and Latest Reports on our Mineral Springs will be Mailed on Request.

Correspondence with physicians solicited.

NORTH CAROLINA REQUIREMENTS FOR ENTRANCE TO EXAMINATION FOR MEDICAL LICENSE

An applicant for license to practice medicine in North Carolina must appear before the Board of Medical Examiners in regular session and present a certificate of good moral character, attested by two persons known to the Board, a diploma from a medical college in good standing, or a license from some other State, and must deposit fifteen dollars with Secretary of the Board. He will then be examined upon the following branches of medicine: Anatomy, Physiology, Surgery, Pathology, Medical Hygiene, Chemistry, Pharmacy, Materia Medica, Therapeutics, Obstetrics, Diseases of Children and the Practice of Medicine. The examinations are written, oral and practical combined.

He must make an average of eighty per cent. upon all the branches, and he must not fall below thirty-five per cent. upon any one branch.

Applicants who are not bona fide citizens of North Carolina must satisfy the Board that they have an academic education equal to the entrance requirements of the University of North Carolina, and after 1917 this will be required of all persons appearing before the Board.

TEMPORARY LICENSE

An applicant for temporary license must appear before two members of the Board of Medical Examiners and present a certificate of good moral character, a diploma from a medical college in good standing, and must pay a fee of five dollars. He must then stand a satisfactory oral examination.

A temporary license continues in force only until the next regular meeting of the Board, and is not granted but once to the same applicant.

Applicants for temporary license may call upon any two members of the Board at their homes at any time in the year, selecting the two most accessible.

REQUIREMENTS FOR RECIPROCITY

1. Reciprocity is granted only to men of known reputation and ability. Unless the applicant has had five years experience in successful practice in the State in which he then resides, or two years of successful hospital experience, or has filled position of medical trust accounted by the Board as the equal of these, and unless he is a graduate of a high class medical college and possesses a good preliminary education, his application will not be considered. The burden of proof is upon the applicant to show what his attainments are.
2. He must not have failed before the North Carolina Board.
3. He must present himself in person before the North Carolina Board at its regular session. To this rule no exception is ever made. He must then pay a fee of fifty dollars.
4. He must fill out a blank application in regard to his moral character, educational attainments, identify, etc., and file the same with the Secretary at least

thirty days before the meeting of the Board. (Blank applications may be obtained from the Secretary upon request).

5. Reciprocity will be granted to physicians who have been admitted by examination to the United States Public Health and Marine Hospital Service, the United States Navy or Army, and have been continuously in service, or have received honorable discharge, and have been in continuous successful practice to the date of application.

In regard to the matter of reciprocity, the State of North Carolina regards the qualifications of the applicant rather than the State from which he comes. In every case it is necessary that the applicant appear in person before the Board of Medical Examiners in regular session, and by this personal interview convince the members of the Board that he is a man of intelligence, sobriety, and high personal character. For this reason it is impossible to make a definite promise of reciprocity to any man until he has appeared before the Board.

The applicant must also produce papers showing that he has a good preliminary education, is a graduate of a high-grade medical college, and that he has been successful in his medical undertakings since graduation. In addition to the application blank, the applicant must furnish abundant evidence that every statement contained thereon is true. That is, when hospital experience is claimed, it must be accompanied by letters from the proper authorities, showing the time of such service, and certifying that this service was satisfactory. The same requirements are made in regard to other positions of medical trust.

Reciprocal relations have been established with Louisiana, Indiana and Minnesota on a basis of preliminary education and college rating.

With Maryland, Virginia and Texas on a basis of two years hospital work or five years of successful practice.

The North Carolina Board reserves the privilege of rejecting any applicant for reciprocity without question or comment on the part of the applicant.

MEDICAL LAW OF NORTH DAKOTA

Section 1. Board of Medical Examiners; How Appointed; Qualifications. The Governor shall on or before the first day of August, 1911, appoint a State Board of Medical Examiners, consisting of nine members, two of whom shall be homeopathic; physicians; who shall be practicing physicians of integrity and ability who shall be residents of and have been duly licensed to practice medicine and surgery in this state, and who shall have been graduated from medical schools of high educational requirements and standing and shall have been engaged in the active practice of their profession within this state for a period of at least five years. Three of such persons shall hold office for the term of one year from the said first day of August, 1911, three for the period of two years, and three for the period of three years from said date. Thereafter, and as the terms of office expire, all members of the board shall be appointed for the term of three years with the exception of those who may be appointed to fill unexpired terms. Until the first day of August, 1911, the members of the present State Board of Medical Examiners shall hold office and shall enforce the provisions of this Act.

Sec. 2. Officers; Meetings for Examinations; Records and Rules: Such board shall elect a president and secretary-treasurer, and shall have a seal. The secretary-treasurer shall be the general administrative and prosecuting officer of said board but need not be a member thereof. The president and the secretary-treasurer shall have the power to administer oaths. The board shall hold meetings for examinations at such places as it may designate, on the first Tuesday in January and July of each year, and such special meetings as it may from time to time appoint. The board shall keep a record of all its proceedings, and also a register of applicants for license, together with their ages, and the time spent in the study of medicine and in their studies preliminary thereto, and the nature thereof, and the name and location of all institutions, medical and otherwise, granting to such applicants degrees or certificates of attendance on lectures and classes in medicine and surgery and studies preliminary thereto. Such register shall also show whether the applicant was rejected or licensed by the board. Said books and register shall be prima facie evidence of all matters therein recorded. Said board shall from time to time adopt such rules and regulations as it may deem necessary for the performance of its duties and a schedule of minimum educational requirements which shall be without prejudice or discrimination as to schools or systems of practice of medicine.

Sec. 3. Power to Administer Oaths and Summon Witnesses; Enforcement of Powers: Said board shall have authority to administer oaths, to summon witnesses and take testimony in all matters relating to their duty. When the board, in the transaction of any of its business, or in the conduct of any hearing or when any person interested in such business or hearing shall desire to secure the presence or testimony of any person before said board, said board or such person, may procure subpoenas from the clerk of the district court of the county wherein such business is to be transacted or conducted before said board, and the clerk of such court is hereby directed to issue such subpoenas, as, in the name of the State of North Dakota, commanding the persons whose names shall be given to such clerk by said board, or by such persons so interested in such business or hearing, to appear before said board at a certain time and place fixed by said board, for the transaction of such business or conduct of such hearing and then and there testify in the matter of such business or in such hearing. If any person so commanded to appear and testify shall fail or refuse to obey such subpoena, he shall be dealt with by said district court in the same manner and to the same effect as though such subpoena has commanded such person to appear and testify in a cause on trial in said court. Fees or other charges or paymnets, which may be demanded by any person so commanded to appear and testify shall be only those which may be demanded by witnesses in causes in the district court and under the same circumstances. Such subpoenas shall be served in the same manner as are the subpoenas for trials in the district court, and they shall be substantially the same form. It shall be the duty of the secretary-treasurer, under the direction of the board, personally or by deputy duly authorized thereunto by said board, to aid the several district attorneys of the state in the enforcement of this act and in the prosecution of all persons who may have violated any of its proviisons.

Sec. 4. License: No person shall practice medicine in this state unless he shall have made application to said Board of Medical Examiners, through the secretary treasurer thereof, upon such form and in such manner as shall be adopted and prescribed by said board, for a license so to do, and shall have obtained from said board and shall possess in full force and virtue a valid license so to do, and any person who practices medicine in this state, without having made such applications and without having received and without still possessing such a license, shall be deemed to have thereby violated the provisions of this Act. All applicants for a license to practice medicine or for a restoration of any such license which has been revoked, shall furnish the board with satisfactory evidence of good moral character. Nothing in this Act shall be taken or construed to preclude physicians and surgoens who have already been admitted to practice their profession within the state of North Dakota and under and according to the laws thereof to continue so to practice.

Sec. 5. Definition. The term "Practice of Medicine," as used in this Act, is intended to cover and include the practice of medicine, surgery, and obstetrics. The term "Physician" means physician and surgeon.

Sec. 6. Meaning of the Term Practice of Medicine; Exemptions and Exceptions: A person shall be regarded as practicing medicine within the meaning of this Act who holds himself or herself out to the public as being engaged within this state in the diagnosis or treatment of diseases or injuries of human beings; or who suggests, recommends or prescribes any form of treatment for the intended palliation, relief or cure of any physical or mental ailment of any person with the intention of receiving therefor, either directly or indirectly, any fee, gift or compensation whatsoever; or who maintains an office for the examination, or treatment of persons afflicted with disease or injury of body or mind; or who attaches the title M. D, surgeon, doctor or any word or abbreviation to his name, indicating that he is engaged in the treatment or diagnosis of the diseases or injuries of human beings. Nothing in this Act, however, shall be construed to affect lawfully qualified physicians in other states or countries meeting legally licensed physicians in this state for consultation or any physician residing on the border of a neighboring state and duly licensed under the laws thereof to practice medicine therein, and who does not open an office or appoint a place to meet patients or receive calls within this state; or the domestic administration of family remedies; or dentists practicing their profession or optometrists when licensed and practicing under the provisions of article 16 of chapter 4 of the political code, Revised Codes of 1905; nor to prohibit the practice of Christian Science or other religious tenets or religious rules or ceremonies as a form of religious worship, devotion, or healing, provided that the persons administering or making use of or assisting or prescribing such do not prescribe or administer drugs or medicines nor perform surgical or physical operations, nor assume the title of or hold themselves out to be physicians or surgeons; nor shall this Act be construed to prohibit any person, if qualified under chapter 172 of the laws of 1909, from engaging in the practice of osteopathy, when not representing himself as, or assuming the title of physician or surgeon; provided such person does not profess or hold himself out to, nor administer or prescribe drugs or perform surgery, except minor surgery; nor shall it be construed to prohibit commissioned surgeons of the United States Army, Navy or Public Health and Marine-Hospital Service from performing their lawful duties in this state as such.

Sec. 7. Examinations; How Conducted; Subjects: The manner of determining the qualifications of any person to practice medicine or surgery shall be such as shall be adopted by the State Board of Medical Examiners. Examination of applicants for the licenses to practice medicine shall be made by said board according to the method deemed by it to be most practicable and expeditious to test the applicant's qualifications. Each applicant shall be designated by a number instead of name, so that his identity shall not be disclosed to the members of the board, until the examinations shall be graded. The subject of written, oral or clinical examinations for applicants shall be as follows: Anatomy, physiology, chemistry, pathology, gynecology, physical diagnosis, toxicology, surgery, obstetrics, histology, bacteriology, medical jurisprudence and preventive medicine

Sec. 8. Examinations Waived: In the case of an applicant coming from, or who has been educated in other states or foreign universities, such applicant's credentials relating to his general reputation, his preliminary education and the course of study he has pursued, the degree he has received, the number of years he has been engaged in the lawful practice of medicine, his experience in hospitals, medical departments of the army, navy, and public health and marine-hospital service, licenses granted to him by other states and countries, and his experience as a teacher of medicine, shall be given due consideration by the board in determining his qualifications to practice medicine. When convinced by an investigation of an applicant's credentials that he is qualified to practice medicine and surgery, the board may in its discretion, grant him a license without examination, upon the payment of the regular fee of twenty-five dollars, and provided further, that said board upon the payment of such fee and in its discretion, may accept and register and without further examination, issue a license to practice medicine upon any certificate which shall have been issued to an applicant by the Medical Examining Board of the District of Columbia, or any state or territory of the United States; provided, however, that the applicant has received a degree or diploma from a legally chartered medical school, the requirements of which shall have been at the time of granting such diplomas or degrees, in no particular less than those prescribed by the Association of American Medical Colleges for that year; and provided further, that the legal requirements of the Medical Examining Board of such state, district or territory, shall have been at the time of issuing such certificate in no degree or particular less than those of this state, at the time when such certificate shall be presented for registration and approval of the Board provided for in this Act; and provided further, that the provisions and exceptions in this section contained shall be held to apply only to the certificate of licenses of such states, district or territories as accept and register the certificates and licenses granted by the board provided for herein, without further examinations of the persons holding such certificates.

Sec. 9. Preliminary; Qualifications: All applicants for licenses to practice medicine in the state of North Dakota and all applicants for the examination of the Board of Medical Examiners herein provided for, must, as a prerequisite thereto and except as provided in section 8 of this Act, present evidence which shall be satisfactory to said board of having graduated from a reputable medical college and having attended in such college or colleges the lectures of no less than four college years of at least eight months each, and must all give evidence which shall be satisfactory to said board, or a preliminary education which would be necessary to admit said student to the junior or third year of the University of North Dakota or some equally reputable American college or university; provided, however, that in case of applicants who have graduated from a reputable medical college prior to the year 1905, satisfactory evidence of attendance on the lectures and classes of three college years of at least six months each, shall be deemed sufficient to entitle such applicants to take the examination herein provided for.

Sec. 10. License; Fees: If such applicant passes the prescribed examination, or if such applicant is excused from such examination as provided for in section 8 of this Act and is found by the board to be properly qualified, the board may grant him a license to practice medicine, surgery, obstetrics, in this state which license shall be signed by the president and secretary-treasurer of the board, and shall have the seal thereof affixed to or impressed thereon. The fee of such examination shall be twenty-five dollars, to be applied to the board toward paying the compensation and expenses thereof, including the enforcement of the provisions of this Act, and the same fee shall be charged where an application for licenses is made without examination.

Sec. 11. Revocation and Refusal of Licenses: The State Board of Medical Examiners shall keep a record of all its proceedings together with the evidence offered in the matter of revoking or refusing licenses hereunder, may refuse to grant, or may revoke a license to practice medicine and surgery in this state, and may cause a licentiate's name to be removed from the record in the office of any recorder of deeds, upon any of the following grounds, to-wit: The employment of fraud or deception in applying for the securing a license or in passing the examination provided for in this Act; the practice of medicine under a false or assumed name, or impersonation of another physician of this state or any state, territory or foreign country of a like or different name; the conviction of a felony, or of a crime involving moral turpitude, habitual intemperance in the use of ardent spirits, narcotics or stimulants to such an extent as to incapacitate for performance of professional duties; the procuring or aiding or abetting in procuring or attempting to procure a criminal abortion; negligent or ignorant malpractice resulting in permanent injury or death of a patient; the obtaining of a fee either directly or indirectly either in money or in the form of anything of value, or in the form or financial profit, either as personal compensation, or as compensation, charges, profit or gain for an employer, or any other person or persons, on the representation that a manifestly incurable, sick disease or injured condition of any person can be permanently cured, causing the publication, circulation, exhibition or display publicly of an advertisement, notice or information of any medicine of means whereby the monthly periods of women can be regulated or the menses if suppressed can be reestablished, or whereby abortion can be accomplished; causing the publication, circulation, exhibition or display publicly of any advertisement relative to the treatment, alieviation, palliation, cure or prevention of any disease, weakness or condition of the sexual organs. An appeal from the final decision of such board shall lie to the district court of the county in which such decision was made, within sixty days after notice to the party aggrieved. The record on appeal shall consist of the entire proceedings of such board, together with the evidence offered. Such appeal shall be governed by the code of civil procedure so far as applicable.

Sec. 12. Licenses to be Recorded: Every person who shall receive a license from the State Board of Medical Examiners shall have it recorded immediately in the office of the recorder of deeds of the county in which he shall maintain an office for the practice of medicine, and shall likewise have it recorded in any county in which he shall practice medicine regularly. The recorder of deeds of each county in this state shall keep for public inspection, in a book provided for that purpose, a complete list and description of the licenses recorded by him. When any such license shall be presented to him for record he shall stamp or write upon the back thereof his signed memorandum of the date when such license was presented for record. If the name of any person shall not so appear in such book in any particular county in this state in connection with a description of such license provided for in this Act, such Act shall be prima facie evidence in any civil or criminal action involving the practice of medicine by such person in such county, that such person does not possess in full force of virtue a license to practice medicine in this state.

Sec. 13. Penalties for Violations and for Fraudulent Impersonation and Fraudulent Devices: Any person who shall practice medicine in this state without complying with the provisions of this Act, and any person who shall violate any of the provisions of this act, shall be deemed guilty of misdemeanor and upon conviction thereof, shall be punished by a fine of not less than fifty dollars nor more than three hundred dollars, or by imprisonment in the county jail for not less than ten days or more than thirty days, or both, in the discretion of the court. Any person who shall present or attempt to file as his own, diploma or certificate of credentials of another, who shall give false evidence or present any altered or forged instrument or writing of any kind to the State Board of Medical Examiners or any member thereof, in connection with an application for license to practice medicine, or in any hearing before said board, or who shall practice medicine under a false or assumed name or who shall falsely personate another practitioner of a like or different name, shall be guilty of a felony, and upon conviction thereof shall be punished by imprisonment in the state penitentiary for a term of not less than one year nor more than ten years at hard labor.

Sec. 14. Removal of Members of Examining Board; Re-election: The Governor of the State of North Dakota may, for good cause shown, and upon the recommendation of three-fourths of the members of the Board of Medical Examiners, remove any member of such board for misconduct, incapacity or neglect of duty. No member of such board shall serve for more than two full successive terms.

Sec. 15. Repeal: All acts or parts of acts conflicting with the provisions of this Act are hereby repealed.

Sec. 16. Emergency: Whereas, an emergency exists in that inadequate protection is now afforded against incompetent and untrained physicians, therefore this Act shall take effect and be in force from and after its passage and approval.

MEDICAL LAW OF OHIO

Codified February 14, 1910.
Amended May 31, 1911—Senate Bill No. 94.
Amended April 18, 1913—Senate Bills No. 218 and 220.
Amended April 20, 1915—House Bill No. 220.
Amended April 27, 1915—House Bill No. 220.

Section 1262. The Governor, with the advice and consent of the senate, shall appoint a State Medical Board consisting of seven members, who shall be physicians in good standing in their profession. One member shall be appointed each year and shall serve for a term of seven years. Schools of practice shall be given representation on the board as nearly as possible in proportion to their numerical strength in the State, but no school shall have a majority of the board.

Sec. 1263. The State Medical Board shall organize by the election of a president and a treasurer, who shall be members of the board, and a secretary, who shall be a physician in good standing in his profession. Each of the officers so elected shall serve for a term of one year, and the president and the secretary may administer oaths.

Sec. 1264. Each member of the State Medical Board shall receive ten dollars for each day employed in the discharge of his official duties and his necessary expenses so incurred.

Sec. 1265. The secretary of the State Medical Board shall receive an annual salary, to be fixed by the board, and his necessary expenses incurred in the performance of his official duties.

Sec. 1266. The treasurer of the State Medical Board shall give a bond to the State in the sum of ten thousand dollars with two or more sureties approved by the board conditioned for the faithful discharge of the duties of his office. Such bond, with the approval of the board and the oath of office indorsed thereon, shall be deposited with the board and kept in its office.

Sec. 1267. The State Medical Board shall meet in Columbus on the first Tuesday of January, April, July and October of each year, and at such other times and places as the board may direct. Five members of the board shall constitute a quorum. The board shall have a seal and shall prescribe rules for its government.

Sec. 1268. The State Medical Board shall keep a record of its proceedings. It shall also keep a register of applicants for certificates, showing the name of the applicant, the name and location of the institution granting him the degree of doctor of medicine or surgery, and whether he was granted or refused a certificate. The books and records of the board shall be prima facie evidence of matters therein contained.

Sec. 1269. Each person who desires to practice medicine or surgery shall file with the secretary of the State Medical Board a written application, under oath, on a form prescribed by the board, and furnish satisfactory proof that he is more than twenty-one years of age and of good moral character.

Sec. 1270. The State Medical Board shall appoint an entrance examiner who shall not be directly or indirectly connected with a medical college and who shall determine the sufficiency of the preliminary education of applicants for admission to the examination. The following preliminary educational credentials shall be sufficient:

A diploma from a reputable college granting the degree of A. B., B. S., or equivalent degree.

A diploma from a legally constituted normal school, high school or seminary, issued after four years of study.

A teacher's permanet or life certificate.

A student's certificate of examination for admission to the freshman class of a reputable literary or scientific college.

In the absence of the foregoing qualifications, the entrance examiner may examine the applicant in such branches as are required for graduation from a first-class high school of this State, and to pass such examination shall be sufficient qualification. If the entrance examiner finds that the preliminary education of the applicant is sufficient, he shall, upon payment to the treasurer of the State Medical Board of a fee of three dollars, issue a certificate thereof, which shall be attested by the secretary of the State Medical Board.

The applicant must also produce a certificate issued by the entrance examiner and a diploma from a legally chartered medical institution in the United States, in good standing, as defined by the board, at the time the diploma was issued, and which institution, subsequent to May 1st, 1913, requires for admission for the degree of M. D., to such institution, a preliminary education equal to that required for graduation from a first grade high school in this State, or a diploma or license approved by the board which conferred the full right to practice all branches of medicine or surgery in a foreign country.

Sec. 1271. At the time of his application the applicant shall present such diploma or license, with his affidavit that he is the person named therein and is the lawful possessor thereof, stating his age, residence, the college or colleges at which he obtained his medical education, the time spent in each, the time spent in the study of medicine, and such other facts as the State Medical Board requires. If engaged in the practice of medicine or surgery, the affidavit shall state the period during which and the place where he has been so engaged.

Sec. 1272. If the State Medical Board finds that the applicant has obtained any one of the credentials necessary for admission to the examination, that his diploma is genuine and granted by a legally chartered medical institution in the United States in good standing as determined by the board, or that his license is genuine and confers upon him full right to practice all branches of medicine or surgery in the foreign country in which he obtained it and of a standard approved by the board, that the person named in the diploma or license is the person holding and presenting it and is of good moral character, the board shall admit such applicant to an examination.

Sec. 1273. The examinations of applicants for certificates to practice medicine or surgery shall be conducted under rules prescribed by the State Medical Board. Each applicant shall be examined in anatomy, physiology, pathology, chemistry, materia medica and therapeutics, the principles and practice of medicine, diagnosis, surgery, obstetrics and such other subjects as the board requires. The applicant shall be examined in materia medica and therapeutics and principles and practice of medicine of the school of medicine in which he desires to practice, by the member or members of the board representing such school.

Sec. 1274. If the applicant pass such examination, and has paid the fee required by law, the State Medical Board shall issue its certificate to that effect, signed by its president and secretary, and attested by its seal. Such certificate when deposited with the probate judge as required by law, shall be conclusive evidence that the person to whom it is issued is entitled to practice medicine or surgery in this State. An affirmative vote of not less than five members of the board is required for the issuance of a certificate.

Sec. 1274-1. The State Medical Board shall also examine and register persons desiring to practice any limited branch or branches of medicine or surgery, and shall establish rules and regulations governing such limited practice. Such limited branches of medicine or surgery shall include chiropractic, naprapathy, spondylotherapy, mechano-therapy, neuropathy, electro-therapy, hydro-therapy, suggestive-therapy, psycho-therapy, magnetic healing, chiropody, Swedish movements, massage, and such other branches of medicine or surgery as the same are defined in Section 1286 of the General Code that may now or hereafter exist, except midwifery and osteopathy.

Sec. 1274-2. For the purpose of establishing the practice of such limited branches the State Medical Board shall call to its aid the designated persons as provided in Section 1274-3 of the General Code, and such designated persons shall examine any person who has practiced any such branch in Ohio for a period of at least one year prior to June first, 1915, and who makes application prior to October first, 1915, on a form prescribed by the board, in those subjects only which are appropriate to the limited branch of medicine or surgery, for a certificate to practice which his application is made. No such applicant shall be required to comply with the preliminary education qualifications provided for in Section 1274-5 of the General Code. Any person, practicing in Ohio who at the time of the passage of this Act shall actually be engaged in this State for a period of five years continuously prior to October first, 1915, in the practice of any one or more of the limited branches of medicine or surgery hereinbefore enumerated, and who shall present to and file with the State Medical Board an affidavit to that effect after the passage of this Act shall be exempted from the examination, and shall be entitled to receive from said board a license to practice, upon the payment to said board of a fee of twenty-five dollars. The examination of all other applicants shall be conducted under rules prescribed by the board and at such times and places as the board may determine. Such examination shall be given in anatomy, physiology, chemistry, bacteriology, pathology, hygiene, diagnosis, and in such other subjects appropriate to the limited branches of medicine or surgery, certificate to practice which is applied for, as the board may require; provided, however, that applicants for certificates to practice massage or Swedish movements shall not be examined in pathology and diagnosis.

Sec. 1274-3. For the purpose of conducting such examinations the State Medical Board shall call to its aid any persons of established reputation and known ability in the particular limited branch in which the examination is being held; and in the event that there is in existence a State association or society of practitioners of any such limited branch of medicine or surgery, such association or society, except a State association or society of chiropodists, shall recommend the person or persons to be designated for this service by the board. Any person called by the State Medical Board to its aid, as provided in this section, shall receive for his services not more than ten dollars per day and his actual and necessary expenses to be fixed and allowed by the State Medical Board.

If the applicant passes such examination and has paid the fee of twenty-five dollars as required by law, the State Medical Board shall issue its certificate to that effect. Such certificate shall authorize the holder thereof to practice such limited branch or branches of medicine or surgery as may be specified therein, but shall not permit him to practice any other branch or branches of medicine or surgery nor shall it permit him to treat infectious, contagious or venereal diseases, nor to prescribe or administer drugs, or to perform major surgery.

Sec. 1274-4. The State Medical Board may dispense with the examination of applicants for such limited certificates upon the same reciprocal terms asd conditions with respect to such limited branches as are provided in Section 1282 of the General Code with respect to physicians and surgeons generally.

Sec. 1274-5. The State Medical Board shall determine the standing of the schools, colleges, institutions or individuals giving instruction in such limited branches. If there shall at any time be such schools, colleges, institutions, or individuals giving instruction in such limited branches, the applicant for such certificate shall, as a condition of admission to the examination, produce a diploma or certificate from such a school, college, institution, or individual in good standing as determined by the board, showing the completion of the required courses of instruction.

The entrance examiner of the State Medical Board shall determine the sufficiency of the preliminary education of applicants for such limited certificate as is provided in Section 1270 of the General Code; provided, however, that the State Medical Board may adopt rules defining and establishing for any limited branch of medicine or surgery such preliminary educational requirements, less exacting than those prescribed by said section, as the nature of the case may require.

Sec. 1274-6. The provisions of Sections 1268, 1269, and 1274 to 1281, both inclusive, of the General Code, shall in all respects, in so far as the same may be applicable, govern the State Medical Board, all of the officers mentioned therein, and the applicants for and recipients of such limited certificates; provided, however, that in addition to the power of the board to revoke and suspend certificates provided for in Section 1275 of the General Code it may also revoke or suspend the certificate of any one to whom a limited certificate has been issued upon proof of violation of the rules or regulations established by the board governing such limited practice.

Sec. 1274-7. Nothing in Sections 1274-1 to 1274-6, both inclusive, of the General Code, shall be so construed as in any way amending Sections 1286, 1287 and 12694 of the General Code or as in any way limiting the application of said sections or any other provision of the laws of the State to practitioners of such limited branches of medicine or surgery save as hereinbefore specifically provided.

Sec. 1275. The State Medical Board may refuse to grant a certificate to a person guilty of fraud in passing the examination, or at any time guilty of felony or gross immorality, grossly unprofessional or dishonest conduct, or addicted to the liquor or drug habit to such a degree as to render him unfit to practice medicine or surgery. The words "grossly unprofessional or dishonest conduct" as used in this section are hereby declared to mean:

First: The employing of any capper, solicitor or drummer for the purpose of securing patients, or subsidizing any hotel or boarding house with like purpose, or the obtaining of any fee on the assurance that an incurable disease can be cured.

Second: The willful betrayal of a professional secret. But a physician, knowing that one of the parties to a contemplated marriage has a venereal disease, and so informing the other party to such contemplated marriage, or the parent, brother, or guardian of such other party, shall not be held to answer for betrayal of a professional secret nor shall such physician be liable in damages for truthfully giving such information to such other party, or the parent, brother, or guardian of such other party.

Third: All advertising of medical practice in which extravagantly worded statements intended, or having a tendency to deceive and defraud the public are made, or where specific mention is made in such advertisements of tuberculosis, consumption, cancer, Bright's disease, kidney disease, diabetes, or of venereal diseases or diseases of the genito-urinary organs.

Fourth: Having professional connection with, or lending one's name to an illegal practitioner of medicine.

Fifth: Any division of fees or charges, or any agreement or arrangement to share fees or charges made by any physician or surgeon with any other physician or surgeon, or with any other person.

Upon notice and hearing, the board, by a vote of not less than five members, may revoke or suspend a certificate for like cause or causes.

Sec. 1275-1. The State Medical Board shall have the power to require the attendance of such witnesses and the production of such books, records and papers as it may desire at any hearing before it of any matter of which it has authority to investigate, and for that purpose may through its secretary issue a subpoena for any witness or a subpoena duces tecum to compel the production of any books, records or papers, directed to the sheriff of the county where such witness resides or is found, which shall be served and returned in the same manner as a subpoena in a criminal case is served and returned. The fees and mileage of the sheriff and witness shall be the same as that allowed in the Common Pleas Court in criminal cases, which fees and mileage shall be paid from the fund in the State Treasury for the use of the board in the same manner as other expenses of the said board are paid.

Depositions of witnesses residing within or without the State may be taken by the board in the manner prescribed by law for like depositions in civil action in the Common Pleas Court. In any case of disobedience thereto or neglect of any subpoena served on any person or the refusal of any witness to testify to any matter regarding which he may lawfully be interrogated, it shall be the duty of the Common Pleas Court of any county where such disobedience, neglect or refusal occurs, or any judge thereof, on application by the secretary of the State Medical Board to compel obedience by attachment proceedings for contempt as in the case of disobedience of the requirements of a subpoena issued from such court or a refusal to testify therein.

Sec. 1276. An appeal may be taken from the action of the State Medical Board refusing to grant or suspending or revoking a certificate or license for the causes named in the preceding section to the Common Pleas Court of Franklin County or to the Common Pleas Court of the county in which the person who has been refused a license or whose license has been suspended or revoked resides. The judgment of the Common Pleas Court may be reviewed upon proceedings in error in the Court of Appeals.

Sec. 1277. Each applicant for a certificate to practice medicine or surgery in this State shall pay a fee of twenty-five dollars for an examination. On failure to pass such examination the fee shall not be returned to the applicant, but within a year after such failure he may present himself and be again examined wihotut the payment of an additional fee. All fees for examinations shall be paid in advance to the treasurer of the board and by him paid into the State Treasury to the credit of a fund for the use of the State Medical Board.

Sec. 1278. Each person who receives a certificate to practice medicine or surgery, before beginning practice, must deposit his certificate with the probate judge of the county in which he resides. The probate judge shall record it in a book kept for that purpose and indorse on the margin of the record and on the certificate the time when he received it for record, and make an index to all certificates by him recorded. The probate judge shall also note the revocation of a certificate, or the death or change of location of the owner of a certificate in the margin of the record. If the owner of a certificate changes his place of residence, he must have such certificate recorded by the probate judge of the county into which he removes.

Sec. 1279. Upon application the probate judge shall make a certified copy of a certificate and the indorsements thereon, which certified copy shall be prima facie evidence of the matters and facts therein contained.

Sec. 1280. For services under the provisions of this chapter, the probate judge shall receive from the holder of a certificate the following fees: For recording and indexing each certificate, fifty cents; for certified copies, the same fees as are allowed by law for copies of records kept by him.

Sec. 1281. During the month of December in each year, the probate judge shall furnish the secretary of the State Medical Board a list of certificates recorded and in force, of certificates revoked, and of certificates whose owners have removed from the county or died during the preceding year.

Sec. 1282. The State Medical Board may dispense with the examination of a physician or surgeon, duly authorized to practice medicine or surgery in another State, a Territory or the District of Columbia, who wishes to remove from such State, Territory or District and reside and practice his profession in this State, upon his complying with the following conditions:

Such physician or surgeon shall make an application on a form prescribed by the board, pay a fee of fifty dollars and present a certificate or license issued by the medical board thereof; provided the laws of such State, Territory or District require of physicians and surgeons practicing therein qualifications of a grade equal to those required of physicians and surgeons practicing in Ohio, and equal rights are accorded by such State, Territory or District to physicians and surgeons of Ohio holding a certificate from the State Medical Board who desire to remove to, reside and practice their profession in such State, Territory or District.

Sec. 1283. Each person who desires to practice midwifery in this State, and is not authorized by law so to do, shall appear before the State Medical Board and submit to such examination as the board requires.

In order to be admitted to the examination the applicant shall file with the secretary of the State Medical Board a written application, under oath, on a form prescribed by the board, and furnish satisfactory proof that she is more than twenty-one years of age and of good moral character.

At the time of her application, the applicant shall file with the secretary of the State Medical Board such evidence of preliminary education as is required by law of applicants for examination to practice medicine or surgery and present a diploma from a legally chartered school of midwifery, in good standing, as defined by the board, at the time the diploma was issued, or a diploma or license approved by the board which conferred the full right to practice midwifery in a foreign country, with her affidavit that she is the person named therein and is the lawful possessor thereof, stating her age, residence, the school or schools at which she obtained her education in midwifery, the time spent in each, the time spent in the study of midwifery and such other facts as the State Medical Board requires. If engaged in the practice of midwifery, the affidavit shall state the period during which and the place where she has been so engaged.

Sec. 1283-1. If the State Medical Board finds that the applicant has obtained the credentials necessary for admission to the examination, that her diploma is genuine and granted by a legally chartered school of midwifery; in good standing, as determined by the board, or that her license is genuine and confers upon her full right to practice midwifery in the foreign country in which she obtained it, and of a standard approved by the board, that the person named in the diploma or license is the person holding and presenting it and is of good moral character, the board shall admit such applicant to an examination.

Sec. 1284. If the applicant passes a satisfactory examination and has paid a fee of ten dollars, the State Medical Board shall issue its certificate to that effect. which must be deposited with the probate judge of the county in the manner provided for a physician's certificate, and thereupon entitle its holder to practice midwifery in this State. Such certificate may be refused, revoked or suspended as in the case of certificates to physicians and surgeons.

Sec. 1285. No certificate to practice midwifery shall authorize its holder to perform version, treat breech or face presentation, do any obstetric operation requiring instruments, or treat any other abnormal condition, except in emergencies.

Sec. 1286. A person shall be regarded as practicing medicine, surgery or midwifery, within the meaning of this chapter who uses the words or letters, "Dr.," "Doctor," "Professor," "M. D.," "M. B.," or any other title in connection with his name which in any way represents him as engaged in the practice of medicine, surgery or midwifery, in any of its branches, or who examines or diagnoses for a fee or compensation of any kind, or prescribes, advises, recommends, administers or dispenses for a fee or compensation of any kind, direct or indirect, a drug or medicine, appliance, application, operation or treatment of whatever nature for the cure or relief of a wound, fracture or bodily injury, infirmity or disease. The use of any such words, letters or titles in such connection or under such circumstances as to induce the belief that the person who uses them is engaged in the practice of medicine, surgery or midwifery, shall be prima facie evidence of the intent of such person to represent himself as engaged in the practice of medicine, surgery or midwifery.

Sec. 1287. Nothing in this chapter shall prohibit service in case of emergency, or domestic administration of family remedies. This chapter shall not apply to a commissioned medical officer of the United States army, navy or marine hospital service in the discharge of his professional duties, or to a regularly qualified dentist when engaged exclusively in the practice of dentistry, or when administering anaesthetics or to a physician or surgeon residing in another State or Territory who is a legal practitioner of medicine or surgery therein, when in consultation with a regular practitioner of this State; nor shall this chapter apply to a physician or surgeon residing on the border of a neighboring State and duly authorized under the laws thereof to practice medicine and surgery therein, whose practice extends within the limits of this State; provided equal rights and privileges are accorded by such neighboring State to the physicians and surgeons of Ohio residing on the border of this State contiguous to such neighboring State. Such practitioner shall not open an office or appoint a place to see patients or receive calls within the limits of this State.

Sec. 1288. The provisions of this chapter shall not apply to an osteopath who passes an examination before the State Medical Board in the subjects of anatomy, physioloy, obstetrics and diagnosis in the manner required by the board, receives a certificate from such board, and deposits it with the probate judge as required by law in the case of other certificates. Such certificate shall authorize the holder thereof to practice osteopathy in the State, but shall not permit him to prescribe or administer drugs, or to perform major surgery. Such certificates may be refused, revoked or suspended as in the case of certificates to physicians and surgeons.

Sec. 1289. Before he shall be admitted to an examination before the State Medical Board a person who desires to practice osteopathy shall pay a fee of twenty-five dollars to its treasurer and file with its secretary such evidence of preliminary education as is required by law of applicants for examination to practice medicine or surgery, together with a certificate from an osteopathic examining committee as hereafter provided, showing that the applicant holds a doploma or a physician's osteopathic certificate from a reputable college of osteopathy as determined by such committee, and that he has passed an examination in a manner satisfactory to the committee in the subjects of pathology, physiological chemistry, gynecology, minor surgery, osteopathic diagnosis, and the principles and practice of osteopathy.

Sec. 1290. Upon recommendation of the Ohio Osteopathic Society, the State Medical Board shall appoint three persons who shall constitute the state osteopathic examining committee. One member of such committee shall be appointed each year who shall serve for a term of three years.

Sec. 1291. Each person so appointed shall file with the State Medical Board a certificate of the Ohio Osteopathic Society that he is a graduate of a reputable college of osteopathy, that he has been engaged in the practice of osteopathy in this State for at least one year, that he is of good moral character, and is in good standing in his profession.

Sec. 1292. Upon recommendation of the osteopathic committee, the State Medical Board may dispense with the examination of an osteopath, duly authorized to practice osteopathy in another State, a Territory or the District of Columbia, who wishes to remove from such State, Territory or District and reside and practice his profession in this State, upon his complying with the following conditions:

Such osteopath shall make an application on a form prescribed by the board, pay a fee of fifty dollars and present a certificate or license issued by the proper board of such State, Territory or District; provided the laws of such State, Territory or District require of osteopaths practicing therein qualifications of a grade equal to those required of osteopaths practicing in Ohio, and equal rights are accorded by such State, Territory or District to osteopaths of Ohio holding a certificate from the State Medical Board who desire to remove to, reside and practice their profession in such State, Terriory or Distict.

Sec. 1293. The osteopathic examining committee shall meet at the office of the State Medical Boad for action on applications for osteopathic certificates at such time as the board directs; but the committee shall take no part in the deliberations of the board. Each member of the committee shall receive the same compensation as a member of the State Board, payable as provided in such case.

Sec. 1294. The compensation and expenses of the members and officers of the State Medical Board, and the necessary expenses of the board shall be paid from a fund in the State Treasury for the use of the board, upon the warrant of the Auditor of State, issued upon vouchers signed by the president and secretary of the board.

Sec. 1295. The secretary of the State Medical Board shall enforce the provisions of law relating to the practice of medicine, surgery or midwifery in this State. If he has knowledge or notice of a violation of such law, he shall investigate the matter, and, upon probable cause appearing, file a complaint and prosecute the offender. When requested by the secretary, the prosecuting attorney of the proper county shall take charge of and conduct such prosecution.

Sec. 12694. Whoever practices medicine or surgery in any of its branches before obtaining a certificate from the State Medical Board in the manner required by law, or so practices medicine or surgery after such certificate has been duly revoked, or if suspended, during the time of such suspension, shall be fined not less than twenty-five dollars nor more than five hundred dollars or imprisoned in the county jail not less than thirty days nor more than one year, or both. A certificate duly certified by the secretary of the State Medical Board, under the official seal of the said the State Medical Board to the effect that it appears from the records of the State Medical Board that no certificate to practice medicine or surgery in the State of Ohio has been issued to any person or persons specified therein, or that a certificate, if issued, has been revoked or suspended, shall be received as prima facie evidence of the record in any court or before any officer of the State.

Sec. 12695. Whoever practices midwifery without first obtaining a certificate from the State Medical Board, or other lawful authority authorizing her so to do, or so practices midwifery after such certificate has been duly revoked, or if suspended, during the time of such suspension, shall be fined not less than twenty-five dollars nor more than one hundred dollars.

A certificate duly certified by the secretary of the State Medical Board, under the official seal of the said the State Medical Board to the effect that it appears the records of the State Medical Board that no certificate to pracice midwifery in the State of Ohio has been issued to any person or persons specified therein, or that a certificate, if issued, has been revoked or suspended, shall be received as prima facie evidence of the record in any court or before any officer of the State.

Sec. 12696. Whoever announces or advertises himself as an osteopath, or practices as such, without complying with all the provisions of law relating to the practice of osteopathy, or so practices osteopathy after such certificate has been duly revoked, or if suspended, during the time of such suspension, shall be fined not less than twenty-five dollars nor more than five hundred dollars or imprisoned in the county jail not less than thirty days nor more than one year, or both.

A certificate duly certified by the secretary of the State Medical Board, under the official seal of the said the State Medical oBard to the effect that it appears from the records of the State Medical Board that no certificate to practice osteopathy in the State of Ohio, has been issued to any person or persons specified therein, or that a certificate, if issued, has been revoked or suspended shall be received as prima facie evidence of the record in any court or before any officer of the State.

Sec. 12697. Whoever files, or attempts to file, as his own the medical diploma or certificate to practice of another, or files or attempts to file a false or forged affidavit of his identity with the State Medical Board, shall be imprisoned in the penitentiary not less than one year nor more than five years.

MEDICAL LAW OF OKLAHOMA

Section 1. A State Board of Medical Examiners is hereby established, to consist of nine members, learned in medicine, legal and active practitioners in the State of Oklahoma, who shall have resided and practiced medicine in the State under a diploma from a legal and reputable college of medicine of the school to which said practitioner shall belong for more than three years prior to their appointment, and no one of such schools have a majority on said board.

Provided, That for the societies represented by only one member, there shall be one alternate appointed by the governor to act at the meeting of said board in case of the absence of inability of the regularly appointed member. Said alternate to derive the same benefits and subscribe to the same oath of office as the regularly appointed members of said board. The board shall be appointed by the governor of the State of Oklahoma within thirty days after this act becomes effective, and the term of office therefor shall be for four years, or until a successor is appointed and qualified.

Provided, That the term of office of the first board shall expire with the term of the present governor in January, 1911. Vacancies occurring at any time on the board shall be appointed by a governor of the State of Oklahoma as provided for in this section, from a school of medicine from which the vacancy occurs, so that at no time shall one school have a majority on said board. It shall require a majority vote of said board to carry any motion or resolution, to adopt any rule, or to pass any measure, or to issue any certificate to practice surgery and medicine as in this act provided. No member of said Board shall be a stockholder or member of the faculty or board of trustees of any medical college or school.

Sec. 2. Each member of said board shall before entering upon the duties of his office, take the constitutional oath of office from some one qualified to administer oaths, and shall, in addition, make oath that he is a graduate in medicine, and a legally qualified practitioner of medicine and surgery in this State; that he has been engaged in the active practice of medicine and surgery in this State, or in the territory formerly known as Oklahoma, or what was formerly known as Indian Territory, for a period of three years preceding his appointment.

Sec. 3. The State board of medical xaminers shall, immediately after the members shall qualify, organize by electing a president, vice-president, secretary and treasurer. The president of said board shall preside at all meetings of the board and perform such other duties as the board by their rules may prescribe. The vice-president shall perform all the duties of the president during the latter's absence or disability. The secretary shall keep a record of all the proceedings of the board and perform such other duties as are prescribed in this act, or which may be prescribed by said board. The treasurer shall, in order to qualify give bond in the sum of $5,000.00, the same to be approved by the governor, and filed with the secretary of State. It shall be his duty to receive and care for all money from the secretary, receipting him therefor and to pay out the same upon written order of the secretary, countersigned by the president.

Sec. 4. The board of medical examiners shall preserve a record of its proceedings in a book kept for that purpose, showing name, age, place and duration of residence of each applicant; the time spent in medical study in respective medical schools, and the year and school fro mwhich degrees were granted. Said register shall also show whether applicants were rejected or licensed, and shall be prima facie evidence of all matters concerned therein. The secretary of the board shall, on March the first of each year, transmit an official copy of said register to the secretary of state for permanent record, a certified copy of which, with hand and seal of the secretary of the said board or secretary of state shall be admitted in evidence in all courts of the State.

Sec. 5. Said board shall hold regular meetings every three months in some convenient city or town in this State, for the consideration of certificates, and may transact such other business which may properly come before it, and shall have the power to adjourn from time to time, until its business is concluded; notice of the regular meeting of the board shall be given thirty days previous to the meeting of said board by publication in at least one daily newspaper in each supreme judicial district. Said board shall procure a seal for its use and shall receive through its secretary applications for certificates provided to be issued under this act.

Sec. 6. Said board may from time to time adopt such rules as may be necessary to carry into effect the provisions of this act. Any member of the board may administer oaths in all matters pertaining to duties of said board and the board shall have authority to take evidence on questions pertaining to the enforcement of this act.

Sec. 7. Every person before practicing medicine and surgery or any of the departments of medicine and surgery in this State, must have the credentials herein provided for. In order to procure such credentials, he must produce satisfactory evidence of good moral character, and a diploma issued by some legally chartered medical school or college, the requirements of such medical school or college shall have been at the time of granting such diploma in no particular less than those prescribed by the American Association of Medical Colleges, or the Southern Association of Medical Colleges in that year in which the diploma was granted. Or he must show satisfactory evidence of having possessed such diploma or license from some legally constituted institution which grants medical and surgical licenses only on actual examinations, or satisfactory evidence of having possessed such license or diploma. He must accompany said diploma or license with an affidavit showing that he is the person therein named, and that the diploma or license was procured in the regular course without fraud or misrepresentation of any kind, such affidavit to be taken before any person authorized to administer oaths. The same shall be attested under the hand and seal of such office, if he have a seal. In addition to such affidavit, the board shall hear such information as in its discretion it may deem proper as to any of the matters embraced in said affidavits. If it should appear from the evidence that said affidavit is untrue in any particular, or if it should appear that the applicant is not of good moral character, the application must be rejected; Provided, That osteopaths shall be subject to the above regulations with the exception that instead of the diploma hereinbefore mentioned they shall be required to filed a diploma from a legally chartered college of osteopathy in good repute as such, having a course of instruction of at least twenty months, requiring actual attendance thereon, and after 1907, of three years of nine months each. In addition to the requirements above set out, each applicant for a certificate, upon the payment of a fee of $15.00 to the secretary of the State board of medical examiners, must be personally examined by said board as to his qualifications to practice medicine and surgery. The examination must be conducted in the English language, and shall be in whole or in part in writing and shall be on the following branches, to-wit: Which branches shall be considered fundamental. Anatomy, histology, chemistry, physical diagnosis, bacteriology, pathology, medical jurisprudence, toxicology, surgery, gynecology and obstetrics the branches peculiar to the teachings of the school attended by the applicant, and such other additional subjects made necessary by the advance in medical education, as the board may designate or deem advisable to test the scientific and practical knowledge of the applicant; provided, that the applicant shall be examined in theory and practice, materia medica and therapeutics by those members of the board of examiners who represent the school of practice to which the applicant professes to belong; and be it further provided, that those legally qualified to practice medicine only in that school known as osteopathy shall not be permitted to administer medicines internally in the treatment of diseases except in the use of anaesthetics in the practice of surgery and obstetrics, and in cases of emergency. The credentials of applicants which shall be sworn to by the applicants, relating to their general reputation, their preliminary education, and the course of studies that they have pursued; the degrees they have received; the number of years they have been engaged in the lawful practice of medicine; their experience in general hospitals, and medical department of the army, navy and public health and marine and hospital service, licenses granted to them by other States and countries, and their experience as teachers of medicine. All these shall be given consideration by the board in conducting its examination.

Provided, That nothing herein contained shall be construed as to prevent midwives from practicing in cases of emergency.

Provided, further, That those who use only herbs and roots and treat diseases without compensation shall not be required to register.

Provided, however, That all physicians who have lawfully registered since Statehood, shall not be required to re-register under this act.

Sec. 8. The said board may, at its discretion, accept and register upon payment of the registration fee without examination of the applicant, any certificate which shall have been issued to him, or her, by the State board of examiners, of other states, territories or the District of Columbia.

Provided, however, That the legal requirements of such medical examining board shall have been at the time of issuing such certificate in no degree or particular less than those of Oklahoma at the time when such certificate shall be presented for registration to the board created by this act.

And provided, further, That the provisions provided in this act shall be held to apply only to such of said medical examining boards as accept and register the certificates granted by this board without examination by them of the one holding such certificate. Each applicant upon making application shall pay to the secretary of the board, a fee of $25.00, which shall be paid into the treasury of said board by its secretary.

Sec. 9. The said board of medical examiners shall conduct and grade all examinations, and all applicants who shall make an average grade of seventy per cent and a minimum in any one branch of fifty per cent, and who shall have complied with the conditions specified in section VII of this act, shall receive the certificate entitling such applicant to practice medicine in this State, subject to the performance by the said applicant of the heretofore preliminary conditions in this act required. The applicants shall be known by numbers so that no member of said board shall be able to identify the applicants with their respective papers until said papers shall be finally graded. The questions and answers with the respective grades attached, shall be preserved for two years, and shall be open to public inspection by all persons interested. In case of failure to secure the percentage required for a passing grade, the applicant may take another examination within twelve months without extra cost. Temporary permits may be granted and shall be effective until the next meeting of the board unless sooner revoked for cause.

Provided, That the applicant shows good faith by payment to the secretary of the State board of medical examiners the regular examination fee and delivering to the board such credentials and other evidences of intention to become a bona fide resident of the State as the board may require.

Sec. 10. When any applicant has shown himself to be possessed of the qualifications herein required and has successfully passed the examination, a certificate must be issued to him by said board authorizing him to practice medicine and surgery in this State. Said certificate shall be signed by each member of the board and sealed with the seal of said board; provided, however, that all physicians and surgeons who were legally licensed and practicing in Oklahoma Territory and the Indian Territory on the 16th day of November, 1907, shall be required to register with the said board, but shall be exempt from examination, except as to their credentials, and shall be entitled to re-registration with the said board, and certificates of registration free of cost; provided, however, that said physician and surgeon desiring re-registration shall make an application therefor within ninety days after this act becomes operative; such physician and surgeon failing to make such application within the said ninety days, shall be considered an illegal practitioner, and shall be dealth with as herein provided, for the violation of this act.

Sec. 11. Every person holding a certificate authorizing him to practice medicine and surgery in this State must have it recorded in the office of the county clerk, as herein provided. Every person on the change of residence must have his certificate recorded in like manner in the county to which he shall have changed his residence, and said certificate shall be displayed in his office as evidence of having complied with the law. The absence of such record shall be prima facie evidence of the want of possession of such certificate, and every such person holding such certificate who shall practice medicine and surgery, or attempt to practice medicine and surgery, without first having recorded same with the county clerk, as herein provided, shall be deemed guilty of a misdemeanor.

Sec. 12. It shall be the duty of the county clerk of the several counties of the State, immediately upon the taking effect of this act, to purchase, at the expense of the county, a suitable book to be known as the "Medical Register" for the purpose herein set forth; said record shall be open to public inspection during office hours. The county clerk shall receive compensation in the manner provided in the statutes, of Oklahoma for the recording of similar documents.

Sec. 13. Said board must refuse a certificate to any applicant guilty of unprofessional conduct, but before such refusal, the applicant must be cited by citation signed by the secretary of the board and sealed with its seal. No such citation shall be issued except upon a sworn complaint filed with the secretary of the board charging the applicant with having been guilty of unprofessional conduct and setting forth the particular act constituting such unprofessional conduct. Upon the filing of such complaint, the secretary must forthwith issue a citation and make the same returnable at the next session of the board occurring at least thirty days next after the filing of the complaint. Such citation shall notify the applicant of the time and place, when and where the matter of such unprofessional conduct shall be heard, and the particular unprofessional conduct with which the applicant is charged. The applicant shall file written answer under oath within twenty days after the service on him of such citation, or default will be taken against his application for certificate refused. The attendance of witnesses shall be compelled at such hearing by subpoenaes issued by the secretary of the board under its seal and said secretary shall in no case refuse to issue any such subjoena upon the fee of twenty-five cents being paid to him for its issuance.

Said citation and said subpoenaes shall be served in accordance with the statutes of the State, then in force, as to the service of citation and subpoenaes generally, and all of the provisions of the statutes of this State then in force relating to the subpoenaes are hereby made applicable to the subpoenaes provided for herein. If any person refuses to obey a subpoena served on him or her according to the statutes of this State, then in force, providing for the manner of serving subpoenaes, the fact of such refusal shall be certified by the secretary of the said board, under the seal thereof, to the county court of the county in which the service was had, and said court shall proceed to hear said matter in accordance with the statutes of this State then in force as to contempt for disobedience of its own process. In all cases of illegal or unprofessional conduct arising under the provisions of this act, and all the provisions of the statutes of this State then in force as to the taking of depositions are hereby made applicable to the taking of testimony under this act. If the applicant shall fail to file with the secretary of the said board his answer under oath to the charges made against him within twenty days after the service on him of said citation, or within such further time as the board may give him, the charges on the face may be deemed sufficient by the board, and default may be entered against him and his application refused.

Whenever any holder of a certificate issued as herein provided, shall be guilty of unprofessional conduct as defined by this act, and such unprofessional conduct is brought to the attention of the board granting said certificate in the manner herein pointed out, it shall be their duty to, and they must, at once revoke the same, and the holder of such certificate shall not thereafter be permitted to practice medicine and surgery in this State. But no such revocation shall be made unless such holder is cited to appear and the same proceedings are had, as is hereinbefore provided in this section, in case of refusal to issue certificates. The accused party at the time he presents his answer for filing, shall deposit with the secretary, his certificate and unless he does so, the secretary must not file his answer, and default may be thereon entered against him, and his certificate revoked if the charges on their face be deemed sufficient by the board.

When the certificate is revoked, the secretary of the board, if the certificate has been deposited with him, shall write across the face thereof in red ink, the fact of such revocation and shall file such certificate so revoked among the archives of his office under the seal of the board to the county clerk of the county of which the certificate of the person whose certificate has been revoked is recorded, and said county clerk must thereupon write on, the margin or across the face of his register the fact and day of such revocation in accordance with this act.

From the time of the revocation of certificate the holder shall be disqualified from practicing medicine in this State.

The words "unprofessional conduct" as used in this act are hereby declared to mean:

First: The procuring or aiding or abetting in procuring a criminal operation.

Second: The obtaining of any fee on the assurance that an incurable disease can be permanently cured.

Third: The wilful betrayal of a professional secret to the detriment of a patient.

Fourth: All advertising of medical business in which grossly improbable statements are made that are calculated to mislead the public.

Fifth: All advertising of any medicine or means whereby the monthly periods of women can be regulated or menses re-established, if suppressed.

Sixth: Conviction of any offenses involving moral turpitude.

Seventh: Habitual intemperance, and the habitual use of habit forming drugs.

Eighth: The employment of what is commonly known as "cappers" or "steerers" in procuring practice.

These specifications are not intended to exclude other acts for which license may be revoked on the ground of unprofessional conduct.

Sec. 14. Said board shall fix the salary of the secretary not to exceed one hundred and fifty ($150.00) dollars per year, and the other members of said board shall receive not to exceed six ($6.00) dollars per diem for each and every day of actual service in the discharge of their duties under this act, and the necessary traveling expenses, and all money in excess of the actual expenses of the board, as provided in this act, shall be paid annually into the State treasury.

Sec. 15. Any person practicing medicine and surgery in this State without having at the time a valid, unrevoked certificate as provided in this act, shall be deemed guilty of a misdemeanor, and shall be fined not less than one hundred ($100.00) dollars nor more than five hundred ($500.)) dollars, or by imprisonment for a term of not less than sixty days nor more than one hundred and eighty days, or by both such fine and imprisonment, and each day's practice shall constitute a separate offense. All fines under the provisions of this section shall be paid into the road and bridge fund of the county wherein the conviction is secured.

Sec. 16. Any person who shall render professional services as a physician in this State, without first complying with the provisions of this act, shall, in addition to the other penalties prescribed herein, receive no compensation for such services; and no indebtedness shall be created thereby against the person for whose benefit such services shall be rendered.

Sec. 17. Every person filing for record, or attempting to file for record the certificate issued to another falsely claiming himself to be the person entitled to the same, shall be guilty of a felony and upon conviction thereof shall be subject to such penalties as are provided by the laws of this State for the crime of forgery.

Sec. 18. The following persons shall be deemed as practicing medicine and surgery within the meaning of this act:

First: Those who prescribe or administer any drug or medicine now or hereafter included in materia medica in the treatment of disease, injury or deformity of human beings.

Second: Those who practice major or minor surgery in the treatment of disease, injury or deformity of human beings, except dealers in surgical, dental or optical appliances.

The doing of any of the acts in this section mentioned shall be taken to be prima facie evidence of an intent on the part of the person doing any of the said acts to represent himself as engaged in the practice of medicine or surgery, or both. But nothing in this act shall be construed as to prohibit the service in the case of emergency or the domestic administration of family remedies; nor shall this act apply to any commissioned medical officer in the United States army, navy, or marine hospital service in the discharge of his professional duties nor to any legally qualified dentist when engaged exclusively in the practice of dentistry, nor to any physician or surgeon from another State or territory when in actual consultation with a legal practitioner of this State, if such physician or surgeon is at the time of such consultation a legal practitioner of medicine and surgery in the State or territory in which he resides, nor to any physician or surgeon residing on the border of a neighboring State and duly authorized under the laws thereof to practice medicine and surgery therein, whose practice extends within the limits of this State, providing that such physician or surgeon shall not open an office or a place to meet patients or receive calls within the limits of this State.

Sec. 19. It shall be unlawful for any person to sell or offer for sale by peddling, or to offer for sale from house to house, or to offer for sale by public outcry, or to be vending in the street, any drug or medicine, pharmaceutical preparation, chemical or any composition or combination thereof, or any implement or appliance or other agency for the treatment of disease, injury or deformity, or by writing, or printing, or any other method to publicly profess to cure or treat any diseases, injury or deformity by any drug, nostrum, manipulation, or other expedient, without previously obtaining a license therefor as herein provided. An annual county license fee of fifty dollars is hereby levied upon all such itinerant vendors, doing business in any county in this State. Said sum shall be paid to the county clerk who shall pay the same over to the county treasurer for the use of the county road and bridge fund of said county. The county clerk shall thereupon issue a license showing the applicant has paid his license fee and is authorized to do business as above described in this section, in that county, for one year. Provided, however, that this shall not prevent incorporated towns or cities from levying an additional license on such vendors of aforesaid articles or goods. Any person who shall violate this section shall upon conviction, be fined not less than fifty dollars nor more than one hundred dollars, or imprisonment, said fine to be turned over to the county treasurer for the use of the county road and bridge fund.

Sec. 20. Said board of medical examiners shall annually on or before the first day of January, file with the governor, a correct written report of all their proceedings, and account for all moneys received and paid out by them during the year.

Sec. 21. Any person who has been aggrieved by any act, rule or regulation of said Board, shall have his right of action to have such issue tried in the district court of the county in which some member of the Board shall reside.

Sec. 22. Any person who shall violate any of the provisions of this act, except as otherwise provided, shall be fined not less than ten ($10.00) dollars, nor more than one hundred ($100.00) dollars for each offense.

Sec. 23. Sections 1, 2, 3, 4, 5, 6, 7, 8, 9 and 10, of Chapter 5 of the session laws of the Territory of Oklahoma of 1893, and sections 1, 2, 3, 4, 5, 6, 7 and 8, of chapter 22, of the session laws of the Territory of Oklahoma of 1893, and section 15, of chapter 28, of the session laws of the Territory of Oklahoma of 1897, together with all acts and parts of acts in conflict with this act are hereby repealed.

Approved June 10, 1908.

MEDICAL LAW OF OREGON

Section 1. The Governor shall appoint five persons from among the most competent physicians of the State, all of whom shall have been residents of the State for seven years and of at least five years' practical experience in their profession, who shall be known as the Board of Medical Examiners for the State of Oregon. Three of the board shall be regulars, one eclectic and one homoeopathist, one of whom shall hold his office for five years, one for four years and one for three years and one for two years and one for one year, and each until his successor shall be appointed and qualified, and each year thereafter another commissioner shall be appointed for five years, and until a successor be appointed and qualified. If a vacancy occur in said board, another shall be appointed as aforesaid to fill the unexpired term thereof.

Sec. 2. The members of said Medical Examining Board shall, before entering upon their duties as such members, take and subscribe an oath to support the constitution and laws of the State of Oregon and of the United States, and to well and faithfully and without partiality perform the duties of such office according to the best of their knowledge and ability; which oaths shall be filed and preserved on record in the office of the secretary of the board. Said Medical Examining Board shall elect a president, secretary and treasurer, and shall have a common seal. The president and secretary shall have the power to administer oaths. Said Medical Examining Board shall hold meetings for examination on the first Tuesday of January and July of each year. Said meetings shall be held at Portland, Ore.; and, provided, that the board may call special meetings when in the opinion of a majority of said board such special meetings are necessary. Said board shall keep record of all the proceedings thereof, and also a record or register of all applicants for a license, together with his or her age, the time such applicants shall have spent in the study and practice of medicine and surgery, if they shall have so practiced at all. and the name and location of all institutions granting to such applicants degrees or certificates of lectures in medicine or surgery. Said record or register shall also show whether such applicant was rejected or licensed under this Act. Said books and register shall be prima facie evidence of all matters therein recorded.

Sec. 3. Every person, except as hereinafter provided, desiring to practice medicine and surgery, or either of them, in any of their or its branches in this State, shall present satisfactory evidence of graduation from a medical college now requiring four terms of instruction of eight months each and make a written application to said board for a license so to do, which application shall be supported and accompanied by an affidavit of such applicant, setting forth the actual time spent by such applicant in the study of medicine and surgery, the institution of learning, the time said applicant shall have been engaged in the actual practice, if at all, of medicine and surgery, or either of them and where the applicant was located during the time of such practice, and the age of the applicant at the time of making application; such application and affidavit to be filed and preserved of record in the office of the secretary of said board. Such applicant at the time and place designated by said board, or at the regular meeting of said board, shall submit to an examination in the following branches, to-wit: Anatomy, physiology, chemistry, materia medica, therapeutics, practice of medicine, surgery, obstetrics, diseases of women, medical jurisprudence and such other branches as the board shall deem advisable. Such board shall cause such examination to be both scientific and practical and of sufficient severity to test the candidate's fitness to practice medicine and surgery, which examination shall be by written or printed, or partly written and partly printed, questions and answers, and the same shall be filed and preserved of record in the office of the secretary of said board. After examination in the above named branches, if the applicant shows a proper proficiency in any one or more of said branches, said applicant shall not be required to be re-examined in said branch or branches, in which he or she has shown a proper proficiency, and on re-examination by said board shall be required only to be re-examined in the branch or branches in which he or she did not show a proper proficiency; and a proper proficiency as used in this statute shall be held to be a 75 per cent grade in any of the said above named branches. After said applicant shall have passed the examination and obtained a 75 per cent grade in each of the above named branches at one or more examination, then said board shall grant a license to said applicant to practice medicine and surgery in the State of Oregon, and if the said board, after said grade has been made by the applicant by said examinations, shall fail or refuse to grant said applicant a license, then said applicant can appeal to the Circuit Court of the State of Oregon for a license to practice medicine, and it shall be the duty of the clerk of said board to preserve all written questions and answers of the applicant for examination, and when so requested by the applicant, to file said questions and answers with the county clerk in which county said examination was conducted, and said clerk shall preserve said written questions and answers for review by the Circuit Court of the State of Oregon, and which said license shall be signed by the president and secretary of the board and attested by the seal thereof. The fee for such examination shall be $10.00 and shall be paid by the applicant to the treasurer of said board toward defraying the expenses thereof; and such board may refuse or revoke a license for unprofessional or dishonorable conduct, subject, however, to the right of such applicant to appeal from the decision of said board refusing or revoking such license, as hereinafter provided; provided, that all persons who have been regularly licensed under heretofore existing laws of this State, and having complied with the provisions thereof, shall be taken and considered as licensed physicians under this Act, and the secretary of the board herein provided for shall enter the names of such persons upon the register kept by him, as licensed physicians and surgeons; provided, further, that in all cases where an applicant for a license under this Act shall produce and exhibit to the Examining Board a certificate from the Board of Medical Examiners appointed under the laws of any State of the United States, which State recognizes licenses from this State, certifying to the fact that the person presenting such certificate is duly and well qualified to practice medicine and surgery in the State issuing such certificate, and that the said board issuing said certificate has subjected the applicant to a thorough examination to ascertain this fact, he or she may, at the discretion of the Examining Board, upon paying $25.00, and otherwise complying with all the requirements of this Act, receive from the Examining Board, provided for in this Act, a license as if the examination of said applicant was had in this State, and upon filing such license with the county clerk, as herein provided, he or she shall be a legally qualified practitioner of medicine and surgery in this State, subject to all provisions of this Act as to the revocation of said license as herein provided. Provided, further, that those applying for reciprocity under this Act shall present satisfactory evidence of graduation from a college of medicine or osteopathy now requiring four terms of instruction of eight months each.

Sec. 4. The words "unprofessional" or "dishonorable conduct," as used in Section 3 of this Act, are hereby declared to mean:

1. The procuring or aiding or abetting in procuring a criminal abortion.
2. The employing of what are popularly known as "cappers" or "steerers."
3. The obtaining of any fee on the assurance that a manifestly incurable disease can be permanently cured.
4. The wilfully betraying of a professional secret.
5. All advertising of medical business in which untruthful and improbable statements are made.

The CHARLES B. TOWNS HOSPITAL
293 Central Park West, NEW YORK CITY
For the Medical Treatment of Drug and Alcoholic Addiction by Scientific Hospital Methods.
Hydro-Electric Department of Unusual Completeness

6. All advertising of any medicine, or of any means whereby the monthly periods of women can be regulated, or means re-established if suppressed.
7. Conviction of any offense involving moral turpitude.
8. Habitual intemperance.

Sec. 5. In any case of the refusal or revocation of a license by said board under the provisions of this Act, said board shall file a brief and concise statement of the grounds and reasons for such refusal or revocation in the office of the secretary of said board, which said statement, together with the decision of said board in writing, shall remain on record in said office. Before a license can be revoked by said board for unprofessional or dishonorable conduct under the provisions of this Act, a complaint of some person under oath must be filed in the office of the secretary of said board, charging the acts of unprofessional or dishonorable conduct and facts complained of against the licentiate accused, in ordinary and concise language; and thereupon said board shall cause to be served upon such accused licentiate a written notice and copy of such complaint, which said notice shall contain a statement of the time and place of hearing of the matters and things set forth and charged in such complaint; and said notice shall be served at least ten days prior to the time of such hearing. Such accused licentiate may appear at such hearing and defend against the accusations of such complaint, personally and by counsel, and may have the sworn testimony of witnesses taken and present other evidence in his behalf at such hearing, and said board may receive the arguments of counsel at such hearing.

Sec. 6. In any case of the refusal or revocation of a license by said board under the provisions of this Act, the applicant whose application shall be so refused, and the licentiate whose license shall be revoked by said board, shall have the right to appeal from the decision so refusing or revoking such license within thirty days after the filing of such decision in the office of the secretary of said board as hereinbefore in this Act provided. Such appeal shall be to the circuit court in and for the county in which was held the last general meeting of said board, prior to the refusal of such license, in case of such refusal; and to the circuit court in and for the county in which the hearing was held upon which such license was revoked, in case of revocation. In any case a person desiring to take such appeal shall serve, or cause to be served, upon the secretary of said board a written notice of such appeal, which shall contain a statement of the grounds of such appeal, and shall file in the office of such secretary an appeal bond with good and sufficient surety, to be approved by said secretary, to the State of Oregon, conditioned for the speedy prosecution of such appeal and the payment of such cost as may be adjudged against him upon such appeal. Said secretary shall, within ten days after the service of said notice of appeal and the filing and approval of said appeal bond, transmit to the clerk of the circuit court to which such appeal is taken a certified copy nuder the seal of said board, and the grounds thereof in the case of refusal of license; and in addition thereto a certified copy, under such seal, of the complaint in the cause of the complaint in the cause of the revocation of a license, together with the bond and notice of appeal. The clerk of such court shall thereupon docket such appeal cases, and they shall stand for trial in all respects as ordinary civil actions, and like proceedings be had thereon. Upon such appeal said cause shall be tried de novo. Either party may appeal from the judgment of said circuit court to the supreme court of the State in like manner as in civil actions, within sixty days after the rendition and entry of such judgment in said superior court. If such judgment shall be in favor of the party appealing from the decision of said board, and in case Examining Board does not appeal from judgment within sixty days, then and in that case said board shall, at the end of sixty days, and immediately upon the expiration thereof, issue to such successful party the usual license to practice medicine and surgery in this State, and in addition thereto shall reinstate upon the records of said board the name of such successful applicant in case of the revocation of his license by such board. In case of such appeal to the supreme court by said board, no such license shall be issued or reinstatement be required until the final determination of said cause, as hereinafter provided. In case the final decision of the supreme court be against said Medical Examining Board, then and in that case said court shall make such order in the premises as may be necessary, and said board shall act accordingly; provided, that in no case shall an appeal bond be required of said board, nor shall any costs be adjudged or taxed against same.

Sec. 7. The person receiving said license shall file the same, or a copy thereof, with the county clerk in and for the county where he resides, and said county clerk shall file said certificate, or copy thereof, and enter a memorandum thereof, giving the date of said license and the name of the person to whom the same is issued, and the date of such filing, in a book to be provided and kept for that purpose; and said county clerk shall each year furnish to the secretary of said board a list of all certificates on file in his office, and upon notice to him of the change of location or death of a person so licensed, or of the revocation of the license granted to such person, said county clerk shall enter at the appropriate place in the record so kept by him a memorandum of said facts, so that the records kept by said county clerk shall correspond with the records of the board as kept by the secretary thereof. In case a person so licensed shall move into another county of this State, he or she shall procure from the county clerk a certified copy of said license and file the same with the county clerk in the county to which he or she shall remove. Said county clerk shall file and enter the same with the like effect as if the same was the original license.

Sec. 8. Any person practicing medicine or surgery within this State after the first day of April, 1895, without first having obtained the license herein provided for or contrary to the provisions of this Act, shall be deemed guilty of a misdemeanor, and on conviction thereof shall be fined not less than fifty dollars ($50) nor more than one hundred dollars ($100), or by imprisonment in the county jail not less than ten (10) days nor more than ninety (90) days, or by both such fine and imprisonment. All such fines shall be paid into the State Treasury for the use and benefit of the

common schools. Any person shall be regarded as practicing within the meaning of this Act who shall append the letters "M. D." or "M. B." to his or her name, or, for a fee, prescribe, direct or recommend for the use of any person any drug or medicine or agency for the treatment, care or relief of any wound, fracture or bodily injury, infirmity or disease; provided, however, the Act shall not apply to dentists in the practice of their dental profession. Justices of the peace and the respective municipal courts shall have jurisdiction of violations of the provisions of this Act. It shall be the duty of the respective county or district attorneys to prosecute all violations of this Act. In cases of appeals to the circuit court, as hereinbefore provided, it shall be the duty of the district attorney of the county wherein such appeal shall be tried to represent said board on said appeal, and in all cases of appeal to the supreme court under the provisions of this Act the attorney general shall represent said board on such appeal.

Sec. 9. All laws and parts of laws in conflict herewith are hereby repealed.

Sec. 10. Whereas great harm and much bodily suffering and pain may result from the insufficiency of our present medical and surgery laws, therefore an emergency is declared to exist, and this Act shall take effect and be in force from and after its approval by the Governor.

Approved February 23, 1895.

OSTEOPATHY

An Act to Regulate the Practice of Osteopathy. Approved February 14, 1907, as amended February 26, 1913, and February 24, 1915.

Section 1. Any person holding a diploma from an (established) regularly conducted school of osteopathy recognized as of good standing by the Oregon Osteopathic Association, and wherein the course of study comprises at least three years of nine months each in actual attendance at such school, and which shall include instruction in the following branches, to-wit: Anatomy, physiology, chemistry, histology, pathology, diagnosis, gynecology, obstetrics, theory of osteopathy, and two full terms of practice of osteopathy, shall, upon application and presentation of such diploma to the State Board of Medical Examiners and satisfying such board that he is the legal holder thereof, be granted by such board an examination in said branches; provided, however, that, until such time as there may be appointed an osteopathic physician on said board, as hereinafter provided, the theory and practice of osteopathy shall not be included in any such examination. Provided, that after February 1, 1918, the minimum requirements for such examination shall consist of a high school diploma, or its equivalent, and a diploma from a regularly conducted school of osteopathy whose course of study shall comprise at least four years of eight months each. Provided further, after February 1, 1918, no school of osteopathy whose curriculum includes a course in materia medica, pharmacology or prescription writing is to be considered for the purpose of this Act to be a regularly conducted school of osteopathy; it being further provided, that the external use of antiseptics, the use of anesthetics, and antidotes for poisons shall not be construed as coming under this clause. The fee for said examination, which shall accompany the application, shall be ($10.00) ten dollars, and shall be paid to the treasurer of said board as are other fees received by it. Except as herein otherwise provided, such examination shall be conducted in the same manner as is prescribed by law for other examinations by said board. Upon such applicant passing such examination said board shall issue a license to such applicant, signed by the president and secretary of said board, which license shall authorize the holder thereof to practice osteopathy in the State of Oregon. An osteopathic physician who is a graduate of any such school of osteopathy and is at the time of passage of this Act engaged in the practice of osteopathy in Oregon shall be enittled to receive a license upon the payment of the prescribed fee without such an examination, if application is made within sixty (60) days after this Act takes effect. Any such license shall be filed with the county clerk of the county in which the holder thereof resides, in the same manner as is provided by law for the filing of other licenses issued by said board.

Sec. 2. The license provided for in the foregoing section shall not authorize the holder thereof to prescribe or use drugs in his practice or to perform major or operative surgery.

Sec. 3. The Board of Medical Examiners may refuse to grant a license to any person otherwise qualified who is not of good moral character. For like cause, or for incompetency, of habitual intoxication, or upon satisfactory evidence, by affidavit or otherwise, that a license had been granted upon false or fraudulent statements as to graduation, or of length of practice, the said board may revoke a license by an affirmative vote of at least five members of the board, which number shall include one or more members of the different schools of medicine represented in said board. After the revocation of a license the holder thereof shall not practice osteopathy or obstetrics in the State.

Sec. 4. Any person who presents to the Board of Medical Examiners a fraudulent or false diploma, or one of which he is not the rightful owner, for the purpose of procuring a license as herein provided or files or attempts to file with the clerk of any county in the State the license of another as his own, or falsely personates any one to whom a license has been granted by such board, or practices osteopathy or obstetrics in the State without having first obtained and filed the license herein required, or continues to practice osteopathy or obstetrics after the revocation of his license, is guilty of a misdemeanor, and, upon conviction thereof, shall be fined not less than fifty dollars ($50) nor more than one hundred dollars ($100), or by imprisonment in the county jail not less than ten (10) days nor more than ninety (90) days, or by both such fine and imprisonment.

Sec. 5. This Act shall not be so construed as to interfere with or prevent the practice of or use of massage, Swedish movement, physical culture, neuropathy, chiropractic, naturopathy, or other natural methods requiring the use of the hand or hands.

Sec. 6. Within thirty days after this Act goes into effect the Governor shall appoint one person who is a reputable practitioner of osteopathy, selected from a number of not less than three who are recommended by the State Osteopathic Association, who shall be a member of the State Board of Medical Examiners and shall qualify in the same manner as other members of the board. His term of office shall be five years and he shall hold office until his successor is duly appointed and qualified.

Sec. 7. In case of the refusal or revocation of a license by said board under the provisions of this Act, the applicant whose application shall be refused or the licentiate whose license shall be revoked shall have the same right of appeal as is, by Section 3799 of Bellinger and Cotton's Annotated Codes and Statutes of Oregon, conferred under similar instances on other applicants and licentiates.

Sec. 8. All Acts and parts of Acts in conflict herewith are hereby repealed.

MEDICAL LAW OF PENNSYLVANIA

Section 1. Be it enacted, etc., That on and after January first, nineteen hundred and twelve, it shall not be lawful for any person in the State of Pennsylvania to engage in the practice of medicine and surgery, or to hold himself or herself forth as a practitioner in medicine and surgery, or to assume the title of doctor of medicine and surgery, or doctor of any specific disease, or to diagnose diseases, or to treat diseases by the use of medicines and surgery, or to sign any death certificate, or to hold himself or herself forth as able to do, excepting those hereinafter exempted, unless he or she has first fulfilled the requirements of this act and has received a certificate of licensure from the Bureau of Medical Education and Licensure created by this act, which license shall be properly recorded in the office of the Superintendent of Public Instruction at Harrisburg.

On first offense, any person wilfully violating the provisions of this section of this act, shall, upon conviction, be deemed guilty of a misdemeanor, and shall be subject to a fine of not more than five hundred dollars, or imprisonment for not more than six months in the county prison, or both or either, at the discretion of the court; on second offense, shall be subject to a fine of not less than five hundred or more than one thousand dollars, and imprisonment for not less than six months or more than one year, at the discretion of the court; provided, that this section shall not apply to those persons who, under the laws of the Commonwealth, at the date of the passage of this act, have been accorded the right by a licensing certificate to diagnose and treat disease, medically and surgically, and to sign the form of death certificate required by laws of this Commonwealth, or who are exempt therefrom by further provisions of this act.

Sec. 2. For the purpose of carrying out and enforcing the provisions of this act, there shall be established in this Commonwealth a Bureau of Medical Education and Licensure, to be attached to the Department of Public Instruction. The said bureau shall consist of seven members,—two of whom, the Superintendent of Public Instruction and the Commissioner of Health, shall be ex officio members thereof; the five remaining members shall be appointed by the Governor of the Commonwealth, who shall appoint the same on or before September first, nineteen hundred and eleven. The said five members, so appointed, shall be selected from, and at present legally incorporated, State Medical Societies of the State of Pennsylvania; namely, one from the Medical Society of the State of Pennsylvania, one from the Homeopathic Medical Society of the State of Pennsylvania, and one from the Eclectic Medical Society of the State of Pennsylvania; and who, at the time of their appointment, are licensed and qualified under the existing laws of this Commonwealth to practice medicine and surgery, and who shall have practiced the same in this Commonwealth for a period of not less than ten years prior to their respective appointments; and provided, that the two remaining members shall not be of the same school or system of practice. Two members of the bureau first appointed under this act shall serve for one year; two, for two years; and one, for three years; after which the successor of each member shall be appointed for the term of three years; but no member of said bureau shall be a member of the faculty of any undergraduate school, college, or university teaching medicine and surgery. The Governor shall furnish each person appointed with a certificate of appointment, under the seal of this Commonwealth. He shall fill all vacancies, caused by death, resignation, or otherwise; and shall have the power to remove any appointed member of the said buraeu, for continued neglect of the duties which he may be required to perform as a member of the bureau, or for any unprofessional or dishonorable conduct, upon receiving proper proof of the same. Appointments to fill vacancies, occurring through death, resignation, or otherwise, shall be for the unexpired term of the deceased or retiring member.

Sec. 3. Said bureau shall be known by the name and title of "The Bureau of Medical Education and Licensure of the Department of Public Instruction" of the Commonwealth of Pennsylvania, and shall effect its organization immediately after the appointment of its members by the Governor.

It shall be the duty of the bureau to enforce all the requirements of this act. In case of violation of the provisions of this act, procedure shall be through either the office of the Attorney General of the State of Pennsylvania or by special attorney, or both, at the discretion of the bureau.

At the first meeting held for the purpose of organization it shall elect from its membership a president, and a secretary, who shall also be treasurer; and it shall have authority to make rules and regulations for the transaction of its business, and for registration of all physicians of this Commonwealth, and for conducting the examinations of applicants; said rules to be printed and published in pamphlet form, for public distribution. Proper publication thereof shall also be made, after their adoption, in such newspapers in Philadelphia, Pittsburgh and Harrisburg as may be designated by the bureau, once a week for three weeks. Five members shall constitute a quorum; except for the consideration of the revocation or the suspension of a license, or the determination of the fitness of any college to render eligible its graduates for licensure, or the refusal to grant license, when the unanimous consent of all seven members shall be necessary.

Sec. 4. It shall be the duty of the bureau, annually, to ascertain the character of the instruction and the facilities possessed by each of the various medical educational institutions chartered under the laws of this Commonwealth, for the teaching of the various departments of medicines in accordance with the requirements of this act, and make report of the same at each annual meeting of the bureau. Any medical institution chartered by this Commonwealth, and empowered to confer the degree in medicine, that shall be unanimously adjudged by the bureau as failing to provide the proper facilities, as maintaining a lower minimum standard than that required under the provisions of this act, said minimum standard being in addition to a general preliminary education of not less than a standard four years' high school course, or its equivalent, not less than one year of college credits in chemistry, biology, and physics, all of which shall have been acquired prior to entering a medical school, and a graded medical and surgical course of four years, each of which shall be of not less than thirty-two weeks of not less than thirty-five hours of each week, of actual work in didactic, laboratory, and clinical study in different calendar years, shall be duly notified of the same, in writing, signed by the secretary of the bureau. Failure to conform to the authorized standard, after such notification, shall render graduates of said institution ineligible for licensure until such time as the instruction and course are made to the standard adopted, as herein provided.

Sec. 5. Applicants for licensure under the provisions of this act shall furnish, prior to any examination by the said bureau, satisfactory proof that he or she is twenty-one years of age, is of good moral character, is not addicted to the intemperate use of alcohol or narcotic drugs, and has had a general education of not less than a standard four years' high school course, or its equivalent, and not less than one year of college credits in chemistry, biology, and physics—all of which have been received before admission to medical study—and have attended four graded courses of not less than thirty-two weeks of not less than thirty-five hours each, of actual work in didactic, laboratory and clinical study, in different calendar years, in some reputable and legally incorporated medical school or college, or colleges recognized as such by the Bureau of Medical Education and Licensure of the State of Pennsylvania, the dean or proper officer of which college having certified that the applicant has successfully passed each of said respective courses, and shall have completed a year as interne in a hospital which shall have at least twenty-five beds to each interne, devoted to the treatment of medical, surgical, gynecological and special diseases; shall maintain or establish co-operation with a maternity department or hospital, in which each interne shall have not less than six weeks' service, or the equivalent thereof, during which time he shall have attended or participated in the attendance upon not less than six confinements; shall maintain a thoroughly equipped, modern pathological and clinical laboratory, proportionate to the necessities of the hospital; and the records on file of the cases treated in said hospitals shall give evidence of the laboratory work so done by the interne; shall maintain a department of anaesthesia, consisting of one or more anaesthetists, who shall have supervision over all the anaesthesia given in the institution, and whose duty it will be to instruct all internes in the administration of anaeshtetics. Nothing in this act, however, shall be construed as applying to hospitals employing, on salary, graduate internes whose service is confined exclusively to the said institution. A school or college to be reputable under the meaning of this act must conform to the standard required in scetion three of this act.

Applicants from countries foreign to the terriotry of the United States, who desire to be licensed by said bureau, shall, before examination, furnish similar proof as to age, moral character, use of alcohol and narcotics; and shall present a certificate or diploma indicating the completion of a preliminary and medical and surgical education equivalent to the above. Each application to the said bureau, for examination or licensure, shall have attached thereto the affidavit or affirmation of the applicant as to its verity. Any applicant stating any fact in his application, which shall thereafter be proven to be false, shall be deemed guilty of perjury, and on conviction shall be subject to its penalties.

Sec. 6. The Bureau of Medical Education and Licensure shall hold two stated meetings each year at Harrisburg, for the transaction of its business; shall hold at least two examinations each year and shall hold special meetings, at its discretion, upon giving due notice thereof.

The examination conducted by the said bureau shall be written in the English language, but may, at its discretion, be by oral or practical laboratory or bedside examinations, or both. For the purpose of conducting such examinations, the bureau shall have the privilege of calling to its aid medical assistants. The examinations shall be held at such times and places as shall be designated by the Bureau of Medical Education and Licensure, at their discretion. Such examinations shall include anatomy, physiology, chemistry as applied to medicine, hygiene and preventive medicine, pathology as applied to medicine, bacteriology, symptomatology, diagnosis, surgery, gynecology and obstertics; the examination in practice and materia medica and therapeutics to be conducted by the members of the bureau of the same school of medicine as the respective applicant.

Any applicant who presents satisfactory evidence as to age, preliminary education and good moral character and proper credentials signed by the dean of, and with the seal of, a reputable and legally incorporated school or college of medicine, recognized as such by the Bureau of Medical Education and Licensure of the State of Pennsylvania, that he or she has completed at least two of the required four graded courses of training in said school, of not less than thirty-two weeks, of not less than thirty-five hours each week, of actual work in didactic, laboratory, and clinical study, and in two different calendar years, may be examined forthwith by the bureau, at its discretion, upon the subjects of descriptive anatomy, physiology and chemistry; and if such applicants are respectively shown to be proficient in such subjects they may be exempted from further examinations in said subjects at the final examination. In case of failure at any partial examinations, thus given, at the end of the second course in a medical school or college the candidate shall not then be examined in the subjects of descriptive anatomy, physiology and chemistry, or in any one or more of the subjects in which he may have failed, until the completion of the required course of study, but such candidate shall be admitted to the final examination given in this State, provided he or she produces sufficient evidence of continuing good moral character.

In case of failure at any final examination, the applicant shall have, after the expiration of six months and within two years, the privilege of a second examination by the bureau, without the payment of an additional fee. In case of failure in a second final examination, the applicant must enter de novo, and only after a year of postgraduate study approved by the bureau, and qualify under the conditions obtaining at the time of this application. Applicants for a licensing certificate, who have been examined and licensed by State Boards of Medical Examiners or State Boards of Health of other States, which, through reciprocity, similarly accredit the holders of licensing certificates from the Bureau of Medical Education and Licensure of this Commonwealth to the full privileges of practice within their respective boundaries, or applicants with a medical degree from colleges in good standing with the Bureau of Medical Education and Licensure, shall on the payment of a fee of fifty dollars to the said bureau, and on filing in the office of the bureau a true and attested copy of said license, certified by the president or secretary of such State Boards of Medical Examiners or Boards of Health issuing the same, or medical degree of approved colleges, and showing also that the standard of requirements adopted by said Board of Medical Examiners or State Boards of Health is equal to that provided for by the provisions of this act, shall, without further examination, receive a licensing certificate conferring on the holder thereof all the rights and privileges accorded by this act; provided, however, That such applicant has not previously failed at an examination of this Commonwealth.

And, further, it shall be the duty of said Bureau of Medical Education and Licensure, at its discretion, to examine any person pretending to a knowledge of any branch or branches of medicine or surgery, for the purpose of establishing regulation and State licensure. For this purpose it shall be the duty of said bureau to establish such oversight of the instruction and teaching of the schools or colleges or individuals so pretending, if any such obtained, as is provided for in this act in the case of medical schools and colleges; and, further, they shall conduct such limited examinations as are in their judgment necessary for the purpose of determining whether or not the applicant has a proper degree and knowledge of his or her subject, and of determining whether in other respects, as provided for in this act, they are worthy of registration and State licensure. For the purpose of conducting such examinations, the bureau shall have the privilege of calling to its aid men or women of established reputation and known ability in the particular pursuit under consideration, and who shall be compensated for their services at the rate of not more than ten dollars per day, in addition to all incurred expenses. Reciprocity and other provisions, as provided for in this act in the case of doctors of medicine and surgery, may be established, at the discretion of the bureau, for these limited practitioners.

Upon the requisite degree of knowledge and the moral character of the applicant being established, as above provided for, and on the payment of a fee of twenty-five dollars ($25.00), the Bureau of Medical Education and Licensure of the Department of Public Instruction shall forthwith issue a State certificate to the applicant, limited to the practice of his or her pursuit in this State, this fact being plainly stated across the face of the certificate. Such a system of special licensure being once established, it shall thereafter be unlawful for any person or persons to practice said system in this State without the said State certfiicate, which certificate shall be revocable by the Bureau of Medical Education and Licensure, on proof of violation of the rules and regulations of said bureau; and on proof of violation of this provision of this act, the holder of said certificate shall be liable to all the penalties provided for in section one of this act in case of doctors of medicine and surgery. A record of all persons so licensed shall be kept in the archives of the Department of Public Instruction, and shall have the standing, before the law, of any other license issued by the Bureau of Medical Education and Licensure. For the purpose of determining the verity of credentials and applications, conducting examinations, or discovering fraud or dishonesty, the secretary of the bureau, or, in his absence, any member thereof, shall have the right to administer oaths or any form of obligation required by law.

Sec. 7. All persons who have complied with the requirements of the rules and regulations of the bureau, and who shall have passed a final examination, and who have otherwise complied with the provisions of this act, shall receive from said bureau, under its seal, a licensing certificate entitling them to the right to practice medicine and surgery, or special branches of medicine and surgery, as provided for in section six, in this Commonwealth; which said license certificate shall be duly registered in the office of the Superintendent of Public Instruction of this Commonwealth, in a record book to be properly kept for that purpose, and which shall be open to public inspection; and a certified copy of said record shall be received as evidence in all courts in this Commonwealth in the trial of any case; provided, that this section, relating to certificates to practice medicine and surgery, shall not apply to officers in the regular medical service of the United States army and navy, or the United States public health and marine hospital service, while in the discharge of their official duties; or to any one who may be a duly registered practitioner of medicine in any other State or Commonwealth, who may be called upon by a registered physician of this Commonwealth to consult with him in a case under treatment; or any one while actually serving as a member of the resident medical or surgical staff of any legally incorporated or State hospital; and provided further, that any duly registered practitioner of medicine residing in any State near the boundary line between said State and this Commonwealth, whose practice extends into this State, shall have the right to practice in this Commonwealth, at the discretion of the bureau; provided he files with the Secretary of the Bureau of Medical Education and Licensure of this Commonwealth a certified copy of his registration in the State where he resides; and provided that the Board of Examiners of the adjoining State reciprocate by extending the same privilege to practitioners of medicine and surgery in this Commonwealth; in which case he shall receive from the secretary of the bureau created by this act a licensing certificate, issued by the said bureau, but which shall be automatically revoked if he changes his said residence or office of practice.

Sec. 8. Said Bureau of Medical Education and Licensure shall have the power to charge a fee for all examinations that may be made by them, and which shall not exceed the sum of twenty-five dollars for the collective or total examination of any applicant, except as provided for in section six. They shall adopt a seal; and shall have an office at Harrisburg for the purpose of holding examinations, and where all their permanent records shall be kept, open to public inspection. For that purpose they shall have the power to make requisition upon the proper State officials for office rooms and supplies, including stationery and furniture. All the printing and binding necessary for the work of the said bureau shall be done by the State Printer, upon an order issued by said bureau to the Superintendent of Public Printing and Binding, certified to by the secretary of said bureau.

Sec. 9. All fees that may be received by said bureau, from examination or any other source, shall be paid over to the Treasurer of this Commonwealth by the Treasurer of the Bureau of Medical Education and Licensure, at least once in each six months, on a proper audit being made thereof by the Auditor General of this Commonwealth, excepting such as are derived from practitioners of a branch of medicine and surgery, as provided for in section six. In which case the fees are to be utilized in conducting the regulations of the particular branch paying the fee, and the surplus is to be turned over to the State Treasurer, as provided above.

The treasurer of said bureau shall give a bond to the Commonwealth of Pennsylvania, in the sum of five thousand dollars, for the faithful performance of his duties; said bond to be approved by the Bureau of Medical Education and Licensure and the Attorney General of this Commonwealth, who shall be custodian of the same.

Sec. 10. Each appointed member of the said bureau shall receive an annual salary of fifteen hundred dollars ($1,500), and the Superintendent of Public Instruction and the Commissioner of Health five hundred dollars ($500) each, and the secretary and treasurer an additional five hundred dollars ($500), in addition to the necessary traveling expenses properly incurred and certified to by the secretary of the said bureau.

Sec. 11. For the payment of said salaries and expenses, and for other incidental expenses, including rent, clerical services, stenographer, and typewriting, and any other assistance that may be necessary for carrying into effect the provisions of this act, the sum of *twenty-five thousand dollars ($25,000), or so much thereof as may be necessary, is hereby appropriated for the two fiscal years commencing June first, one thousand nine hundred and thirteen. All accounts of said bureau shall be audited by the Auditor General of this Commonwealth; and, when proper warrants for the payment of the same shall be issued, drawn on the State Treasurer.

Sec. 12. The Bureau of Medical Education and Licensure shall refuse to grant a license, to practice medicine or surgery, to an applicant upon the presentation to said Bureau of Medical Education and Licensure of a record showing the conviction, in due course of law, of said person for producing or aiding or abetting in producing, a criminal abortion or miscarriage, by any means whatsoever; and, further, the Bureau of Medical Education and Licensure, upon such evidence and proof, shall cause the name of such convicted person, if a licentiate, to be removed from the record in the office of the Superintendent of Public Instruction.

The Bureau of Medical Education and Licensure may refuse, revoke, or suspend the right to practice medicine or surgery in this State for any or all of the following reasons, to-wit: The conviction of a crime involving moral turpitude, habitual intemperance in the use of ardent spirits or stimulants, narcotics, or any other substance which impairs intellect and judgment to such an extent as to incapacitate for the performance of professional duties.

Any person who is a licentiate under this act, or who is an applicant for examination for license to practice medicine or surgery in this State, against whom are preferred any of the foregoing charges for causing the revocation or suspension of license, or for causing refusal of the right to be examined for licensure, shall be

furnished by the Bureau of Medical Education and Licensure with a copy of the complaint; and shall have a hearing before the bureau, or by attorney, and witnesses may be examined by said bureau respecting the guilt or innocence of said accused. The suspension of license of any licentiate under this act shall be removed when said narcotic or vicious habit, hereinbefore specified, shall have been adjudged by the said bureau to be cured or overcome, and said suspended licentiate deemed capable of practicing his or her profession.

Sec. 13. The provisions of this act shall not apply either directly or indirectly, by intent or purpose, to affect the practice of pharmacy as authorized by the act approved May twenty-fourth, one thousand eight hundred and eighty-seven, entitled "An act to regulate the practice of pharmacy and sale of poisons, and prevent adulterations in drugs and medicinal preparations in the State of Pennsylvania," or the several amendments thereto; nor to affect the practice of dentistry as authorized by the act approved July ninth, one thousand eight hundred and ninety-seven, entitled "An act to establish a Dental Council and a State Board of Dental Examiners; to define the powers and duties of said Dental Council and said State Board of Dental Examiners; to provide for the examination and licensing of practitioners of dentistry, and to further regulate the practice of dentistry," or the several amendments thereto; nor to affect the practice of osteopathy as authorized by the act approved March nineteenth, one thousand nine hundred and nine, entitled "An act to regulate the practice of osteopathy in the State of Pennsylvania; to provide for the establishment of a State Board of Osteopathic Examiners; to define the powers and duties of said Board of Osteopathic Examiners; to provide for the examining and licensing of osteopaths in this State, and to provide penalties for the violation of this act," nor shall this act be so construed as to give to the Bureau of Medical Education and Licensure any jurisdiction over any of the schools or colleges of the methods herein exempted.

Sec. 14. The following acts of Assembly, and parts of acts namely:

"An act to protect the people of the Commonwealth against incompetent practitioners of medicine and surgery and obstetrics," approved the twenty-fourth day of March, one thousand eight hundred and seventy-seven (Pamphlet Laws, one thousand eight hundred and seventy-seven, page forty-two):

"An act entitled 'An act to provide for the registration of all practitioners of medicine and surgery'," approved the eighth day of June, one thousand eight hundred and eighty-one (Pamphlet Laws, one thousand eight hundred and eighty-one, page seventy-two);

"An act to establish a Medical Council and three State Boards of Medical Examiners; to define the powers and duties of Medical Council and said Board of Medical Examiners; to provide for the examination and licensing of practitioners of medicine and surgery; to further regulate the practice of medicine and surgery, and to make the appropriation for Medical Councils," approved the eighteenth day of May, one thousand eight hundred and ninety-three (Pamphlet Laws, one thousand eight hundred and ninety-three, page ninety-four);

"An act to amend the fourth section of an act entitled 'An act to protect the people of the Commonwelath against incompetent practitioners of medicine, surgery and obstetrics," approved the twenty-fourth day of March, one thousand eight hundred and seventy-seven, passed July twelfth, one thousand eight hundred and ninety-seven (Pamphlet Laws, two hundred fifty-eight);

"An act of the twenty-seventh day of April, one thousand nine hundred and nine (Pamphlet Laws, two hundred and fifty-one), being an act entitled An act to amend section thirteen of the act of May eighteenth, one thousand eight hundred and ninety-three, of an act entitled An act to establish a Medical Council and three State Boards of Medical Examiners; to define the powers and duties of said Medical Council and said State Board of Medical Examiners; to provide for the examination and licensing of practitioners of medicine and surgery; to further regulate the practice of medicine and surgery; and to make an appropriation for the Medical Council,' providing that applicants for license to practice medicine shall furnish proof that they have obtained a competent education, covering not less than four years' high school course, or its equivalent;" are hereby repealed.

All other acts or parts of acts, general, special, or local, pertaining to the subject-matter covered by this act and inconsistent herewith, be, and the same are hereby repealed; it being intended that this act shall furnish a complete and exclusive system in itself so far as relates to the right to practice medicine and surgery in the Commonwealth of Pennsylvania.

Sec. 15. This act shall take effect and be in full force on and after January first, one thousand nine hundred and twelve; except in so far as the same relates to the appointment by the Governor of the members of the board.

The above is the Act of June 3, 1911 (P. L. pp. 639-649), as amended by the Act of July 25, 1913 (No. 743 in P. L.)

BURN-BRAE

A Private Hospital for Mental and Nervous Diseases

Founded by the late ROBERT A. GIVEN, M. D., 1859

Clifton Heights, Delaware County, Pennsylvania

E. L. GIVEN, Proprietor. HERBERT C. STANTON, M. D., Supt.
OSCAR WILSON, M. D., Asst. Physician.

This institution is located a few miles west of the city of Philadelphia, at Primos Station, on the Philadelphia & Baltimore Central Railroad, and is designed to accommodate a limited number of patients of each sex.

The grounds, originally twenty-five acres in extent, have been increased to sixty acres, thus securing to the inmates perfect privacy, affording them in their walks the pleasing variety of hill and valley, meadow, brook and woodland.

It is the desire of the management of Burn-Brae to make it in every respect a home for their guests. The location is beautiful, the house, though possessing all the safeguards and appliances of a public hospital, in external appearance and internal arrangements, presents nothing to unfavorably impress the inmates.

Access from Philadelphia by the Baltimore Pike, or take cars for Primos Station, on Central Division of P., W. & B. R. R., Depot, Broad and Filbert Streets, Philadelphia.

All packages by express, postal and telegraphic communications should be addressed

BURN-BRAE, Clifton Heights
Delaware County, Pa.

Long Distance Telephone 535 Lansdowne, via Philadelphia.

Where does your Advertising go?

When your advertising matter goes out hit or miss to any old sort of a list of names, there's bound to be tremendous waste.

Polk's lists are different—because they are based on original data—the data that goes into Polk's 400 City, County, State and National Directories. Directory publishing is our principal business.

98% delivery is guaranteed on our lists—can you ask for any better proof of efficiency?

Form letters—well executed—command attention. We do addressing, multi-typewriting, filling in, folding, enclosing and mailing.
